University Emblem

Description of Emblem:

The emblem of the Deemed University has four salient images depicted in it: The red triangle with its apex pointing up, the bow, the arrow and the entwined snakes.

The triangle with the arrow underscores the Mission of the Deemed University: viz, to merge the three enduring objectives – Education, Healthcare and Research – represented by its three sides into a harmonized whole and hold it launched boldly up into the future. The arrow in addition, stands for the wand of Hermes (or the staff of Asclepius) and with the two entwined snakes represents the Caduceus, which has been traditionally used as the symbol of the medical profession. Uniquely, the bow here adds dynamism and a further dimension to the theme as it holds the arrow poised with its focus into posterity.

Motto:

Sky scale Advancing Education
Disease-alleviating Healthcare Innovation
Translatable Research Continuum

FOUNDER CHANCELLOR

The Vision

“To offer diverse educational Programs that facilitate the development of competent professionals and valuable citizens, who demonstrate excellence in the respective disciplines, while being locally and globally responsive in areas of education, healthcare delivery and research”.

The Mission

Sri Ramachandra Deemed University
will actively promote and preserve the higher values and ethics
in education, health care and research and
will pursue excellence in all these areas
while consciously meeting the expectations
of the people it serves without prejudice and
in all fairness stay socially meaningful
in its propagation of the various arts and sciences
to enrich humanity at large.

(Late) Thiru N.P.V. RAMASAMY UDAYAR
FOUNDER CHANCELLOR

Message by

Shri. N.P.V. Ramasamy Udayar
Founder-Chancellor
(given in the year 1998)

Beloved Student,

It is with a great sense of pleasure and joy that I welcome you to this campus as a student. Our Trust when it was conceived in the year 1985, dedicated this institution to the proposition that it shall reach the heights of excellence in the fields of medical and health related education, research and patient care. Since then we have worked with a great sense of determination and commitment to make this 150 green acres develop as a mini town with all the facilities inside, keeping in mind the ecology of the surroundings. We are aware that this is going to be your home away from your own home for the next several years and it is vital that the campus is healthy for your growth and comfort. I myself have spared no pains to procure everything that is considered essential to accomplish this. Your parents do expect us to provide appropriate facilities for your development during the next several crucial years in your life. Myself and the administrators of this institution will be happy to listen to your suggestions, requests, and complaints and take such actions as necessary to improve the situation. But, it is very essential that you keep the communication line open and have no hesitation in approaching us. It is also possible that some of you may have unusual, personal, social and adjustment problems particularly when you are away from your own families for a long time. My faculty, staff, wardens and the Dean of Faculties assure me that they will provide such counselling services as may be necessary in the individual circumstances. Such services will be given entirely on a one-on- one basis in strict confidentiality. But again it is up to you to seek such help from us when you are in need.

Although you are here primarily in pursuit of good education and qualification, we believe that you should have adequate opportunities for extra-curricular activities particularly cultural and sports. We encourage all such activities that will help you develop an all-round personality and become an excellent professional.

At this juncture, it is important that you become aware of our expectation of you. As much as you have a right to stay and enjoy the privileges in the campus every other student who is here has the right as well. This institution cannot tolerate any student intimidating other students in the form of teasing, ragging or cause any kind of harm to fellow student physically or emotionally. We do not have a place in this institution for such indiscipline and any student who indulges in such activities will be summarily expelled. Students and parents should also be aware of the recent strict laws that have been enforced by the Government of Tamil Nadu and other statutory authorities against any form of ragging inside college campuses. It is expected of every student that he will abide by all the rules and regulations of this Deemed University colleges and the hostel at all times.

Students who have difficulties with the subject are encouraged to directly seek counseling from the Head of the Department concerned. He is further encouraged to contact the administration to obtain necessary help for improvement. As a policy, it is demanded of every student that he/she maintains 80% attendance in every subject and also meet the standards required for internal assessment examinations. In the matter of allowing a candidate to appear for examinations, the final authority is the concerned Head of the Department and the Dean of Faculties.

In conclusion, I would like you to note that we are here to make everything that is possible and necessary to give you a good education and experience in your field. It is with this intention that we have made a historic alliance with Harvard Medical International also. We want you to utilize all these for your betterment, so that you can look back one day and feel proud of your ALMA MATER.

Wishing you the very best in your life,

N.P.V.Ramasamy Udayar

From the Desk of the Chancellor

Dear Students,

It is with much pleasure that I extend a warm welcome to you once again and to all the new students who enter the portals of Sri Ramachandra Institute of Higher Education and Research, in pursuit of knowledge & skill.

This university offers an exhilarating and rewarding experience for every student with enormous opportunities to nurture talents and gain competence.

The mark of excellence for any University lies in its facilities and ambience. The exceptional infrastructure at the University, both scholastic and extra-curricular, admirably sets the precise ambience to facilitate excellent teaching learning environment. There have been noteworthy improvements in infrastructure in the colleges and hospital in the past year.

I am in admiration of the efforts that our faculty members have put in to develop the team of subject matter experts. Many courses have been restructured and support is given for promoting research by way of fellowships, grants and awards to the students and faculty members.

The starting of a Faculty of Engineering and Technology to offer programs in the latest fields of computer sciences and technology marks a major and significant goal achieved by the University in its quest for meeting societal and industry needs.

While new courses have been introduced, competency-based curricula have been progressively adopted across the various faculties. Another significant achievement is that exclusive departments have been created for Rheumatology, Hepatology, Hand Surgery and Cardiac Anaesthesia. In addition, Acute pain clinic, Foot clinic and

Geriatric clinic have been inaugurated in 2018 with sophisticated equipments and competent doctors and staff, thus satiating the long felt need for healthcare delivery in these areas.

Our University is a place of learning, impeccable in its own way, with a vast and aesthetic campus, enormous library and friendly and professional faculty providing an impressive platform for the overall growth and development of students. Since inception, the versatile skill sets and strong value system imbibed by our students have enabled their recruitment to various esteemed companies.

All these achievements have led the University to be ranked **28th** among all universities by the MHRD-NIRF Ranking **2020**, while Sri Ramachandra Medical college and Research Institute was ranked **13th** , Sri Ramachandra Faculty of Dental Sciences was ranked **7th** and the Faculty of Pharmacy was placed at the **26th** rank. The India Today survey has acclaimed the University as the fifth top ten Medical Universities in India, in August 2020. It is also adjudged as the fourth out of five Medical Universities in India with the Best Teacher-Student Ratio and with the Most Super Speciality Students graduated in the past three years.

I take this opportunity to congratulate the students and faculty who have won awards and recognition abiding by our core vision of contributing to ethical and intellectual leadership.

Recognition is especially meaningful during the COVID-19 pandemic. Right now, our healthcare workers are on the frontlines of battling the novel coronavirus disease (COVID-19) that's spreading rapidly throughout our city, state and nation. Our doctors, nurses, technicians, transporters, EMTs, pharmacists and everyone who supports patient care are rising to the occasion and caring for our most vulnerable populations. Thank you for the sacrifices you make, every day and especially during this pandemic. Your dedication, commitment and courage deserve our deepest gratitude and admiration. Your service to patients is saving countless lives and

making thousands of differences. I appreciate the academicians for doing their best to provide support for e-learning and online education to students.

As we enter the academic year 2020-21, it is my privilege to greet the students, faculty members and staff of the University and to convey my best wishes to them for success in all their endeavors towards excellence in education, health care and research.

V.R. VENKATAACHALAM

From the Pro-Chancellor's Desk

Dear Students,

I am delighted to affirm that our University has witnessed significant growth in the past year, wherein we have shown tangible progress by sustained efforts to deliver on our vision and mission. The University has augmented student enrolment and reformed its academic structure to offer a unique world-class student learning experience. Our unflinching commitment to academic excellence is evident in the higher rankings secured in MHRD National Institutional Ranking Framework (NIRF) Rankings **2020**.

The University is now well poised in its mission of expansion and growth to make its mark worldwide. One important milestone achieved is the establishment of the Faculty of Engineering and Technology to offer programs in the emerging areas computer science. The introductions of new programs, plethora of academic activities and enhanced infrastructure have further significantly enhanced our teaching and research capabilities. Student innovation is encouraged and supported through fostering a milieu where they can explore and pursue new passions beyond their academic pursuits.

At Sri Ramachandra Institute of Higher Education and Research we have always strived to create an inspiring atmosphere and learning environment in a beautiful campus ranked the fifth amongst the University (Residential) in the Swachh Campus Ranking 2018. The growing recognition of our university at the national and global levels along with its splendid past, will pave the way for new perspectives of academic excellence and enable all our graduates to have the skills, knowledge and confidence to be the best in their areas of expertise. I would like to commend our faculty, students and staff for their involvement, hard work and commitment.

Much appreciation for all the healthcare workers that are giving so much of themselves during this health crisis (COVID-19 pandemic). I can only imagine how physically and emotionally draining this is. I hope all of you are finding ways to keep your spirits high and know there are so many people grateful for all of you! Our doctors, healthcare workers and hospital staff are providing compassionate and collaborative care.

Our academicians are showing innovation and persistence to make sure learning doesn't stop through online education in these difficult times. And our student body is lending a hand and uplifting each other in new ways. For all this and more, we say thank you. We're grateful to you, our SRIHER family, for rising to the challenge in these unprecedented times. I am very happy, right now, our SRIHER community is stronger than ever.

As we enter the new academic year 2020-21, we look forward with a great deal of enthusiasm and optimism to a period of significant development and growth to ensure that our ensuing generations have enhanced prospects to grow, excel and set new benchmarks. I am sure our journey towards excellence would continue in the years to come.

Best wishes!

R. V. SENGUTUVAN

From the Desk of Vice-Chancellor

Dear Students,

I take this opportunity to welcome all the new entrants to our university and congratulate the students and parents for choosing the respective programmes under the constituent faculty.

I must inform you that you are into the portals of this great edifice “Sri Ramachandra” which provides the greatest ambience towards higher education through innovative curricula using modern e-learning technologies, providing focus on skills training and attitudinal training apart from the requisite knowledge. Your feedback is very important to us in spearheading change. The campus provides for your every day to day requirement and also excellent facilities for sports and extra-curricular activities. The faculty are the greatest strength and they provide you with the most student centred education and mentorship. The Student Council of the University will also facilitate to sort out any of your problems. This year we are all going through a pandemic crisis of COVID-19 and have geared ourselves up and introduced innovative technologies so that Educational needs of students do not suffer. At this difficult times I take this opportunity to place on record the exemplary and self-less service rendered by our employees, nursing staff, faculty & administrative staff. Presently the university has

7200 students in 138 programs in 12 different faculties. The present faculty strength is 770.

I am sure your experience during the study duration would be fruitful and successful with sufficient industry exposure, hospital exposure and would provide you job opportunities across the world through a proactive Placement Cell.

Wishing you all the best.

P.V. VIJAYARAGHAVAN

SRI RAMACHANDRA

INSTITUTE OF HIGHER EDUCATION AND RESEARCH
(Deemed to be University)

Introduction

Sri Ramachandra Institute of Higher Education and Research (Deemed University) previously known as SRMC & RI (DU), ranked among the top health sciences universities in India, had its origin as Sri Ramachandra Medical College and Research Institute which was established by Sri Ramachandra Educational and Health Trust in the year 1985 as a private not-for-profit self-financing institution and dedicated to serve the society as a centre of excellence with emphasis on medical education, research and health care. The Trust achieved the task of establishing the Institution as a “Centre of Excellence” under the leadership of Late Shri. N.P.V.Ramasamy Udayar who was the Founder & Managing Trustee of the Trust and also the first Chancellor of the Deemed University. Shri.V.R.Venkataachalam is currently the Chancellor of the Deemed University and is also the Managing Trustee of the Trust.

In view of its academic excellence, the Government of India declared Sri Ramachandra Medical College and Research Institute as a Deemed University in September, 1994 under Section 3 of the University Grants Commission Act, 1956. As notified by the UGC, the nomenclature of the institution was changed to Sri Ramachandra University in 2006 and reverted to SRMC&RI (DU) from December, 2017. Now, as per the Notification dt.08.08.2018 by the Ministry of Human Resource Development, Govt. of India, the name of the DU has been change to “Sri Ramachandra Institute of Higher Education and Research (Deemed to be University).

Over three decades, the institute has transformed into a full-fledged Deemed University and at present, with twelve faculties / constituent colleges, viz., Sri Ramachandra Medical College and Research Institute, Faculty of Dental Sciences, Faculty of Pharmacy, Faculty of Nursing, Faculty of Physiotherapy, Faculty of Allied Health Sciences, Faculty of Management, Faculty of Biomedical Sciences, Technology and Research, Faculty of Public Health, Faculty of Sports & Exercise Sciences, Faculty of Clinical Research, Faculty of Engineering and Technology, the Deemed University offers 152 UG and PG programs in health care sciences. With a faculty strength of around 1,000, more than 7,200 students receive teaching and training under them (Faculty: Student ratio 1:7) from the academic year 2020-21.

Accreditations and recognitions

The consistent quest for excellence in medical education, health care and research has earned the Deemed University many notable accreditations, recognitions and awards. Notable among them are:

The Deemed University has achieved the distinction of being placed at the **28th** rank among all Universities in India by the MHRD NIRF Ranking **2020**, while Sri Ramachandra Medical college and Research Institute was ranked **13th** , Sri Ramachandra Faculty of Dental Sciences was ranked **7th** and the Faculty of Pharmacy was placed at the **26th** rank. The India Today Survey of Universities in India 2020,

has ranked the University 5th among the top ten Medical Universities in India Sri Ramachandra Hospital has been adjudged as the second best Multispecialty Hospital in Chennai by The Week-Hansa Research Survey 2020.

The National Assessment and Accreditation Council has reaccredited (in cycle-2) SRMC & RI (DU) with “A” Grade with a CGPA of 3.62 on a 4-point scale, the highest to be awarded to a private medical Deemed University in India.

The Joint Commission International (JCI) reaccredited the hospital, the first teaching hospital in India to obtain the accreditation up to January, 2018. Similar reaccreditation has also been received from the National Accreditation Board for Hospitals (NABH).

The Medical Council of India (MCI) (now NMC) has recognized and upgraded the Regional Centre in Medical Education Technologies, Sri Ramachandra Medical College and Research Institute, as a Nodal Centre to conduct both Basic and Advance program in Medical Education Technologies for all medical college faculties in the region.

The WHO has designated Sri Ramachandra Medical College and Research Institute as a WHO Collaborating Centre for Research and Training in Occupational Health.

The Atomic Energy Regulatory Board (AERB) has reaccredited the Bio dosimetry lab of the Department of Human Genetics for assessment of personnel radiation exposure and related studies, the only non-governmental institution to have achieved such accreditation.

The Faculty of Public Health has the distinction of being recognized by the ICMR as a “SRMC & RI (DU) ICMR Centre for Advanced Research on Air Quality, Climate and Health”

The Deemed University was ranked 5th under SWACHH Campus Ranking 2018 of Universities (Residential) by the MHRD, Govt. of India, for maintaining a green, garbage and pollution free hygienic campus.

Location and accessibility

The Deemed University is located in Porur, on the busy Chennai - Bangalore highway, a twenty minute drive from the Chennai international airport. Chennai is a fast growing industrial, medical and knowledge hub in South India that retains its charm, tradition and culture. It is well connected by road, rail and air to almost any destination in the world.

Infrastructure

The infrastructure at the Deemed University has been created to provide its students the best educational environment in the country. Over two million square feet of constructed space houses technologically advanced, fully air-conditioned state of the art class rooms, modern laboratories and one of the largest medical libraries in the region.

Campus and facilities

Spread over 150 acres, the Deemed University is housed in a refreshingly green campus. Well-manicured lawns, sprawling open spaces and trees dot the campus. The campus itself is a township with colleges,

the medical centre, staff and student housing, conference facilities, play grounds, multi-cuisine restaurants, ATMs, gift & garment shops, travel service, railway reservation counter and a post office.

The Hospital

Sri Ramachandra Hospital is a tertiary care facility that focuses on the clinical teaching activity. Having been provided with 2,525, beds, the largest ICU in the region and the state-of-the-art equipment, the hospital offers the trainee with ample opportunities to acquire knowledge and skills from the finest doctors in the country. The hospital has excellent oncology, cardiothoracic, vascular surgery, interventional neuro-radiology, neonatology, reproductive medicine, clinical embryology, critical care and emergency services to mention a few. The hospital seamlessly integrates with the colleges to provide knowledge and practical application of the acquired knowledge effortlessly.

The Blood Bank which is one of the largest in Asia with 10,000 Sq.ft. area which provides state of the art blood and component transfusion support to the patients. The Central laboratory is NABL reaccredited.

Telemedicine

The Deemed University has national level visibility as a centre of excellence in exploiting information technology to the hilt, by establishing a state-of-the-art Telemedicine Connectivity by satellite, ISDN lines and internet connectivity to several institutions in India --Siliguri, Durgapur, Kolkata, Guwahati, Andaman and Nicobar Islands, Jammu & Kashmir, Kerala, Karnataka, Andhra, to name a few. It has been included in the PAN-African network for telemedicine.

Library

Ours is the Central University Library holding huge collections of resources cater to all the needs of courses offered in this Institute. The central library is spread in an area of 40,000 Sq. Ft. with all amenities including centralized air-conditioned facility with Wi-Fi enabled premise. The library housekeeping operations are fully automated and RFID technology is implemented. One can access the information through library portal anytime and anywhere. The online resources subscribed in the central library including eBooks, e-journals and specialty online databases can be accessed by all the members in and out of the campus through remote access facility software EzProxy.

A large collection of resources for Medical, Paramedical, Allied health sciences and Biomedical Sciences procured over a period of 34 years is a boon to the Central library. At present the Central library has huge collection of Text and Reference books numbering to 63,153 and currently subscribed 413 journals including national and international journals in print version and 465 online journals. The library has huge collections of back issues of journals numbering to 1,04976 which support the researchers at all times. The central library has added books currently for the year 2020 around 2,717 volumes and the number of titles are 1363. The library has good amount of evidence based collections of 5984 VCDs and DVDs on various specialties. The library has digital library and all the online resources housed in the computers are available for access at the centre. Apart from this the library helps economically weaker sections of students by facilitating Book Bank facility.

Hostels

There are separate hostel facilities for both men and women students, with 3,000 single rooms available inside the campus to accommodate undergraduate and postgraduate students in medical and other disciplines. There are separate hostel facilities for international students. The campus has continuous running soft water supply and power supply. The avenues of trees and green plants give a resort-like ambience which is highly conducive to pleasant learning and peaceful living within the campus.

Learning experience at Sri Ramachandra

SRMC&RI (DU) takes pride in creating health care professionals who are globally competitive and locally responsive. At the forefront of this effort is the development of innovative curricula that prepare health care professionals for the demands and challenges of the 21st century. Within the framework laid by the regulatory authorities, the Deemed University has created unique learning experiences that focus on all round student development. The curriculum aims in providing a competency based patient centered education in medical and health sciences. Extensive use of clinical material and technology enhance the value of education. The medical college in addition has developed a first of its kind education program called PRODEV that takes education beyond knowledge and concentrates on overall professional development. Every student is assessed not only in knowledge and skills but also professional attributes. A unique mentoring program that provides for personal supervision by a faculty member across the years adds to the learning experience in Sri Ramachandra.

Student life at Sri Ramachandra

The Deemed University is a youthful vibrant and colorful campus. With exceptionally well appointed student housing, manicured lawns, playgrounds, gymnasiums and restaurants, the campus is agog with student life and activity. Student housing is secure and well supervised. Designated study areas, air conditioned class rooms and small group discussion areas add value to learning. The presence of students and postgraduates across the health care spectrum enhances the interdisciplinary educational experience.. Beside class, social events, annual cultural, literary, fine art events, NSS and sports fill the calendar. The campus is designed to ensure that students find a safe aesthetically pleasing environment to pursue their chosen careers with maximum support.

The international student experience

Ever since its inception, international students have been a part of SRIHER drawn from countries all over the globe and students have found the Deemed University a home away from home. Separate comfortable hostels with internet facility are available for international students. An international student officer and counsellor provide individualized attention to the needs of international students.

Faculty profile - a study in excellence

The faculty at the Deemed University is its greatest strength. Drawn from diverse training backgrounds from all over the country and the 900 faculty members are not only experts in their fields of interest but through faculty development programs are always constantly redefining their skills in education. This translates into an education of high quality that is delivered at an individualized personal level. Our faculties take part in a unique mentorship program targeted at maximizing the educational advantage that the Deemed University students enjoy. The Harvard Medical International, with which SRMC & RI had an institutional alliance for over a decade, in its Annual Report 2007 had stated that “Sri Ramachandra is the model of a learning institution in both its medical school and hospitals. They have pursued faculty development with great rigor, and in the hospital are striving to be quality leader in India”

STANDARD OPERATING PROCEDURE (SOP) ON COMPULSORY ROTATORY RESIDENTIAL INTERNSHIP (CRR)

Policy	<p>The Compulsory Rotatory Residential Internship (CRR) Process policy statement is to ensure a mandatory procedure</p> <ol style="list-style-type: none">1. To offer Compulsory Rotatory Residential Internship to the students who have passed the MBBS Final Part-II University Examinations, for a period of one year that are need based as per MCI/NMC regulations.2. Ensures development of the Internship frame work to achieve the stated learning outcomes aligned to the vision and mission of the institution3. Describes the process for curricular approval and implementation4. Describes the process of internship starting from obtaining Provisional Registration from Tamil Nadu Medical Council (TNMC), issue of Posting Order, Allotment of elective postings, claiming of stipend @ Rs.13,000/- p.m. to each intern, transfer of postings to other institutions in India and abroad, completion of internship, submission of completion report, procedure for extended period of internship and obtaining Permanent Registration Certificate from TNMC.
Date effective from	7 th October 2020
Date of next review	6 th October 2023
Purpose	To provide guidelines to interns, faculty and staff of departments, Student Services Section, Medical Education Unit for curriculum development and implementation of procedures for the successful conduct of internship to MBBS students at Sri Ramachandra Institute for Higher Education and Research.
Scope	This policy applies to the MBBS program at SRIHER

The institution adopts the following procedure to implement the internship program to MBBS students:

1. Internship Starting Date and Issue of Posting Order

1.1 After publication of M.B.B.S. Final Professional Part-II Examination Results by the Controller of Examinations, the Student Services Section **will finalize the date for starting** the Compulsory Rotatory Residential Internship (CRRRI) to all the passed-out students, **in consultation with the Dean-Medical College.**

1.2 Minimum one week's time is required for the Student Services Section before the starting date of CRRRI period, in order to prepare the documents necessary for uploading on the Tamil Nadu Medical Council Portal for getting **Provisional Registration** from the Council to start the period of CRRRI, on payment of Rs.1500/- each (plus 18% GST) towards Registration Fee through ONLINE through Accounts Department. This Registration Fee along with GST (Rs.1770/-) **will be recovered** by the Student Services Section from the CRRRI stipend amount payable to the interns for the **first month of internship.**

1.3 The Student Services Section will prepare the **Posting Orders** in different departments for the entire period of ONE YEAR (365 days) Internship for the CRRRI students divided into six batches (A to F).

1.4 After getting signed by the Dean-Medical College, the Posting Order will be sent to the Medical Education Unit (MEU), CRRRI In-charge and to all the Head of Departments concerned with a copy marked to all the relevant University Officers.

1.5 The CRRI In-Charge/MEU is responsible for **allotment of elective subjects** during the internship.

2. CRRI Orientation Program:

2.1 On the first day of internship, the students will be addressed by the Vice-Chancellor, Dean–Medical College, Dean–Students, Associate Dean-Students and the CRRI In-Charge. A broad overview of the training for the next one year, rules and regulations, documentation / log book maintenance guidelines will be provided to the students.

2.2 The students are divided into six groups and the sequence of postings in various departments is informed. The credentialing process for the students to begin their training is completed by the officials concerned. Subsequently the students begin their two-day training workshop on essential skills.

2.3 Feedback is taken from the interns and the participating faculty at the end of the orientation program, following which the interns move to their respective postings and begin their internship training.

3. Payment of Stipend to interns

3.1 The Student Services Section is **responsible to upload** the names of the interns on the digicampus portal for claiming stipend every month.

3.2 All the interns should open a bank account in the Indian Bank and submit the Bank Account details to the Accounts Department through the Student Services Section.

- 3.3 The attendance for the interns shall be uploaded on the Digicampus Portal on or before the **3rd day** of every month without fail by the **Secretaries of the departments** concerned. Hard copy of the attendance details signed by the HOD concerned shall also be submitted to the Dean-Medical every month by the departments in time.
- 3.4 The Student Section will verify the attendance on Portal, prepare the stipend amount payable and send the same to the office of the Dean-Medical for approval, on or before the **5th day of every month**.
- 3.5 The office of the Dean-Medical will verify, approve and send the same to the Accounts Department on or before the **6th day of every month**.
- 3.6 The Student Services Section will also submit hard copy of the stipend claim duly signed by the Senior Assistant Registrar and Dean-Medical to the Accounts Department.
- 3.7 The Accounts Department will sanction the stipend and transfer the stipend amount to the respective bank accounts of the interns on or before the **7th day of every month**.
- 3.8 In case of any discrepancy found in stipend amount credited in their bank accounts, the students shall represent their grievances in a letter addressed to the Dean-Medical through their Head of the Department/s, **within one week** from the date of transfer of stipend amount.
- 3.9 The Head of the Department shall **record their remarks and recommendations to claim arrears**, if any, on the discrepancy letter submitted by the student and forward the same to the Dean-Medical.

3.10 The Student Services Section will claim such arrears on receipt of the recommendation from the HOD, along with the stipend for the **subsequent month** without fail.

3.11 Representation for claiming arrears of stipend **pertaining to a month will not be entertained** after the **last day of the subsequent month** at any cause.

4. CRRI Stipend Portal

4.1 The I.T. Department shall **make provision** on the Portal to enable the Student Services Section to upload the names of the interns under different batches such as Main Batch (January), Supplementary-1 (March) and Supplementary-2 (October).

4.2 The I.T. Department shall **make provision for the departments** to upload period of internship for each internship as per the posting order issued by the Student Services Section.

4.3 The I.T. Department shall make provision NOT to accept attendance for more than the maximum number of days in a month by the departments.

4.4 The I.T. Department shall make provision to Student Services Section to down load a **soft copy** of the stipend claimed every month after the approval by the Dean-Medical in order to keep it in the System for future reference.

4.5 **The I.T. Department** shall make provision to show the month wise Stipend Report from the **starting month** of Main Batch to the **ending month** of supplementary batch in order to verify the discrepancies claimed by the CRRI for earlier months.

4.6 The Student Services Section shall **keep soft and hard copy** of the stipend claimed every month in a separate file, as a record.

5. Transfer of Posting to other Institutions in India and abroad

5.1 If any student/s is/are requesting a **transfer of posting** of CRRI in writing to some other Hospitals in India or abroad, the same will be facilitated by the Student Services Section by allotting them the Compulsory Internship in Community Medicine Department of this Institution for a period of two months (60 days), as a Phase-I along with Batch “A” students.

5.2 The Student Services Section will issue a **“No Objection Certificate”** to the CRRI student **on request** for transfer of posting to some other Hospital/Institution **IN INDIA OR ABROAD**, to enable them to register **ONLINE on the Tamil Nadu Medical Council and NMC Web Portal** for getting prior approval from them, for doing the remaining period of internship (10 months) in other institution/hospital.

5.3 **Relieving Order** will be issued by the Student Services Section to the students, who opted for transfer of postings to other Institutions **IN INDIA OR ABROAD**, only on submission of “No Objection Certificate” and “a copy of NMC Recognition Certificate” **from the Institution concerned** and permission from **Tamil Nadu Medical Council and NMC**.

5.4 A list of interns who opted for transfer of posting to other institutions **shall be sent to MEU, CRRI In-charge, I.T. Department and all the other departments concerned,**

by the **Student Services Section**, to enable them to delete their names from the list of posting order already sent as well as from the stipend list.

5.5 The **Student Services Section** will make the names of the transfer candidates as “**in active**” on the stipend portal in order to stop payment of stipend from the date of transfer and **this will be shown under the “transfer candidates” column by the I.T. Dept.**

6. CRR I Completion

6.1 The **intern** shall maintain a **log book of training** in various departments and on completion of posting shall get his work certified by the supervising faculty and the log book signed by the HOD of the department.

6.2 At the end of posting completion by a batch of interns, **the department** shall intimate the Student Services Section about the interns who have successfully completed the training in the department and a separate list of interns who have extension with the number of days specified. A hard copy of the same duly signed by the HOD of the department may be sent to the Student Services Section and the office of the Dean–Medical College.

6.3 On successful completion of training by an intern, **the departments** shall intimate the Medical Education Unit by email. Once completion information is received from all departments the student will be issued a transcript certificate detailing his 4 ½ years of study period, signed by the Chairman – UG Curriculum Committee. The transcript certificate along with the No Due Certificate and Completion Report shall be submitted by the interns to the Student Services Section for further processing.

- 6.4 The interns shall submit their Log Books, Completion Report, No Due Certificate Form, etc. on completion of their CRRI, **within 10 days**.
- 6.5 The Student Services Section shall prepare the Internship Certificate **within three days** on receipt of the CRRI Completion Report etc. from the interns and submit the same to the COE office along with a copy of the Provisional Registration in order to get the Provisional Pass-II Certificate.
- 6.6 The COE Section shall issue the Provisional Pass-II Certificate to the Student Services Section **within two days** on receipt of the Internship Certificate of the individual.
- 6.7 The Student Services Section shall issue the Internship Certificate, Course Completion and Conduct Certificate, Provisional Pass-II Certificate, Provisional Registration Certificate, Mark Statements, etc. to the students **within a week** from the date of submission of completion report to enable them to apply and obtain the Permanent Registration from the Tamil Nadu Medical Council.
- 6.8 The student shall submit a copy of the Permanent Registration Certificate obtained from the Tamil Nadu Medical Council to the Student Services Section.
- 6.9 The student shall submit a letter requesting to issue the Transfer Certificate while submitting a copy of the Permanent Registration Certificate to the Student Services Section.
- 6.10 The Student Services Section shall issue Transfer Certificate and return all the original documents submitted by the student at the time of admission, **within three days**

on receipt of application and copy of Permanent Registration Certificate.

6.11 The Student Services Section shall collect the updated email id, mobile number, communication address and three/six recent Passport size photos as per the specifications for the Convocation from the students leaving the College.

7. CRRI Extension

7.1 All the Head of Departments shall send the list of students who have **completed their internship** as well as who have **NOT completed** their internship along with number of days the interns are required to re-do the extended period of internship in their departments concerned in the following **Excel format within three days** from the last date of completion of internship by the interns in their department:

Name of the Department :

Batch No. :

Period of Internship :

S. No.	Name	Unique Id	Internship Completed/ Not completed	No. of days required to re-do the extended period of internship in the Department concerned

7.2 All interns who have extension of training beyond the stipulated period shall do so only after obtaining permission from the Tamil Nadu Medical Council through Student Services Section.

7.3 The Student Services Section shall upload the details of students for undergoing extended period of internship and duly registering with them on Portal for the period of extension, on payment of fee of Rs.1000/- plus 18% GST.

7.4 On receipt of permission for extended period of internship from the Tamil Nadu Medical Council, the Student Services Section shall intimate the CRRI In-charge.

7.5 The CRRI I-charge will be signing the posting order for extension period of internship only on receipt of a hard copy of the permission obtained from Tamil Nadu Medical Council.

7.6 The students shall hand over a copy and get the posting orders signed at the earliest so that the training period fits into the time period for which permission has been obtained.

College/Faculties/Constituent units of Sri Ramachandra Institute of Higher Education and Research (Deemed to be University)

1. Sri Ramachandra Medical College & Research Institute

In the NIRF-2020, a Ranking System implemented by the MHRD of Govt. of India for the Higher Educational Institutions, Sri Ramachandra Medical College & Research has been placed at 13th rank among all the Medical Colleges in India.

Thousands of students from India and abroad have graduated and have received the MBBS degree since the medical college was initiated in 1985, in addition to several hundred who have received postgraduate degrees and diplomas in the various branches of Medicine.

The MBBS programs as well as all the Postgraduate programs that come under the purview of the National Medical Commission (NMC) are conducted with the approval of the NMC. The Medical College was one of first few colleges in India to obtain permission to admit 250 students from the academic year 2011. The Institution is included in the World Health Directory and is recognized by the General Medical Council, UK, Ireland Medical Council, Thailand Medical Council and Sri Lankan Medical Council, thus giving our students an opportunity to widen their horizon in carving their careers.

The Undergraduate Medical (MBBS) Program is fine tuned to meet not only the criteria laid down by the NMC but includes the nuances of education as practiced in Harvard Medical School. The Harvard connection that we nurtured and developed in the past had consistently helped us in establishing and monitoring the quality of medical education, healthcare and research. The Annual Report of the HMI stated that "It is wonderful to see that Sri Ramachandra Medical College and Research Institute is now known as a center of excellence in India for education programs". Further, the HMI Report for 2007 stated that Sri Ramachandra is the model of a learning institution in both its medical and hospitals. The Institution stands out because of its commitment to taking care of all".

Postgraduate education opportunities such as M.D., M.S., D.M. and M.Ch. are available in a wide spectrum of specialties and super specialties in the Medical College.

Competency Based curricula as notified by the NMC are being implemented for the MBBS and PG medical programs from the academic year 2019-20 onwards.

PROGRAMS OFFERED

1. D.Sc. in all the Faculties
2. Ph.D. in all the Faculties

Masters in Basic Medical Science Programs

- 51. M.Sc. (Medical) in Anatomy
- 52. M.Sc. (Medical) in Physiology
- 53. M.Sc. (Medical) in Biochemistry
- 54. M.Sc. (Medical) in Microbiology & Applied Molecular Biology
- 55. M.Sc. Clinical Embryology

The two year program in Clinical Embryology under the Faculty of Medicine is distinctive because majority of the work is laboratory driven. The number of universities offering a structured masters program in such a dynamic area of medicine is very few both at the national and international levels. The Program seeks to impart students with academic and practical knowledge necessary to practice this exciting field of medicine with a rewarding career in fertility clinics. It is open to medical graduates and postgraduates in OBG.

2. Sri Ramachandra Faculty of Dental Sciences

Sri Ramachandra Dental College and Hospital was started in 1995 as a constituent college of the Deemed University. Utilizing a floor space of 2,29,000 sq.ft, the college has 330 well equipped dental chairs to fulfill the needs of the Undergraduates and Postgraduates in every branch of dentistry. There are specially designed laboratories and teaching facilities such as lecture halls, auditoria and departmental seminar rooms and departmental libraries which make this a well-recognized institution in the country. Advanced diagnostic equipment such as Orthopantomographs, Cephalostats and maxillofacial and dental radiography have been included. In addition to the state of the art designated dental operation theatres, the vast diagnostic facilities, that are available at the medical centre are also readily accessible for the students and faculty of the dental college. Several hundred patients who visit the dental college and hospital every day appreciate the comprehensive care provided. Curriculum Integrated for the BDS program has been introduced. The B.D.S. Program offered is recognized by the Dental Council of India and the Dental Councils of Malaysia and Sri Lanka. Among the academic collaborations entered into by the college those with the Kyushu Dental College, Japan and College of Stomatology, Shanghai Jiao Tong University, China are notable.

Undergraduate Dental Program

- 56. B.D.S. Bachelor of Dental Surgery

Postgraduate Dental Programs

- 57. M.D.S. Prosthodontics and Crown & Bridge
- 58. M.D.S. Orthodontics & Dentofacial Orthopaedics
- 59. M.D.S. Conservative Dentistry and Endodontics
- 60. M.D.S. Periodontology
- 61. M.D.S. Oral Medicine & Radiology
- 62. M.D.S. Oral and Maxillofacial Pathology & Oral Microbiology
- 63. M.D.S. Oral & Maxillofacial Surgery
- 64. M.D.S. Pediatric and Preventive Dentistry

3. Sri Ramachandra Faculty of Pharmacy

In NIRF 2019 Ranking of Pharmacy colleges in India, the Pharmacy College has been placed at 20th rank among all the Pharmacy colleges in India.

Established in 1993, this constituent college is a prestigious institution located in a multilevel building with well-equipped research laboratories and draws research scholars from different parts of the nation. The college offers a 4 year professional degree in pharmacy (B.Pharm.) which teaches pharmacology, medicinal chemistry, pharmaceuticals and chemistry of natural products as part of the program. Diploma holders in Pharmacy are admitted to the II year of the B.Pharm. degree program under Lateral Entry. The college also offers a 6-year Pharm.D. Program and a 3 years Pharm.D.(Post Baccalaureate) program for those with B.Pharm. Qualification. Most prominent in the program are hospital/clinical pharmacy, health management and research. State of the art equipment and up to date information on the latest drugs and therapies equip the students to practice anywhere in the world. The Undergraduate & Postgraduate degree programs are approved by All India Council for Technical Education and the Pharmacy Council of India, New Delhi.

Undergraduate Programs

- 65. B.Pharm. Bachelor of Pharmacy
- 66. Pharm. D. Doctor of Pharmacy

Postgraduate Programs

- 67. M.Pharm. Pharmacy Practice
- 68. M.Pharm. Pharmaceuticals
- 69. M.Pharm. Pharmaceutical Quality Assurance
- 70. M.Pharm. Pharmacognosy
- 71. M.Pharm. Pharmacology
- 72. M.Pharm. Pharmaceutical Analysis
- 73. Pharm. D. (Post Baccalaureate) Doctor of Pharmacy
- 74. M.Pharm. (Regulatory Affairs)

4. Sri Ramachandra Faculty of Nursing

Faculty of Nursing, established in 1993 is committed to prepare proficient students by providing balance between curricular, co-curricular and extra-curricular activities. The college with state-of-the-art infrastructure, unparalleled technical expertise, comprehensive and innovative teaching- learning activities and diligent faculty aspires to prepare intellectually enlightened, morally upright, spiritually inspired, emotionally balanced, and socially committed professional nurses. The college offers diverse competency based curriculum that includes theoretical content, simulated learning in skills labs and clinical experience in multi-specialty, in-house University teaching hospital and community health centers. The varied research opportunities for the students with faculty members as mentors create a platform to develop inquisitiveness and innovations. Linking theory with integrated practice to bridge the skill gap is our strength. Active and vibrant collaboration with international Universities is an added advantage. The College offers a four- year undergraduate degree program B.Sc. Nursing (Basic), two-year B.Sc. Nursing (Post-Basic) program, and a two-year Postgraduate degree M.Sc. Nursing program. The M. Sc. Nursing (Nurse Practitioner in Critical Care) is a Nursing residency program with a focus on competency based training. The programs offered by the college have been designed as per regulations notified by the Indian Nursing Council.

Undergraduate Programs

- 75. B.Sc. Nursing
- 76. B.Sc. Nursing (Post Basic)

Postgraduate Programs

- 77. M.Sc. Medical Surgical Nursing
- 78. M.Sc. Paediatric Nursing
- 79. M.Sc. Obstetrics & Gynaecology Nursing
- 80. M.Sc. Community Health Nursing
- 81. M.Sc. Psychiatric Nursing
- 82. M.Sc. Nursing (Nurse Practitioner in Critical Care)

5. Sri Ramachandra Faculty of Physiotherapy

Physiotherapy is a health care profession that restores movement and functions affected due to various medical conditions; reduces health related risk factors, and promotes healthy life style through physical activities. Physiotherapist uses exercises/ movements and physical modalities like heat, sound, and electricity as therapeutic modalities.

The Faculty of Physiotherapy was established in August 1993, initially affiliated with Tamil Nadu Dr. M.G.R University and from 1995, it is a Constituent Faculty of Sri Ramachandra Institute of Higher Education and Research (Deemed to be University). This Faculty offers an under-graduate program and a post-graduate program with 4 specialty training.

The Sri Ramachandra Faculty of Physiotherapy is located in a 5 storied individual building with well equipped lecture halls and demonstration halls. Students get their skill development and clinical practice in Sri Ramachandra Hospital and Medical centre, which are multi-specialty health care centres attached to the University.

Undergraduate Program

- 83. BPT Bachelor of Physiotherapy (under CBCS)

Postgraduate Programs (*under CBCS*)

- 84. MPT Orthopaedics & Traumatology
- 85. MPT Neuro Sciences
- 86. MPT Cardio-Pulmonary Sciences
- 87. MPT Women's Health

6. Sri Ramachandra Faculty of Allied Health Sciences

This faculty that turn out extremely useful and well trained paramedical graduates who support the clinicians in medical colleges, hospitals and clinics not only in India but all over the world.

In the hi-tech world of modern health care, the need for a team approach in curing illness and sustaining life is essential and it takes people with varying skills and expertise to make up the team. Advanced complex instrumentation and equipment require technocrats not only to operate but also to care and

maintain them as well. These experts have to possess a strong scientific foundation and be able to perform at a much higher level than the traditionally trained technicians of the past. The following undergraduate and postgraduate programs are offered keeping the above needs of the medical profession:

Department of Allied Health Sciences:

Postgraduate programs (*under CBCS*)

- 88. M.Sc. Neuroscience
- 89. M.Sc. Medical Laboratory Technology
- 90. M.Sc. Medical Imaging Technology
- 91. M.Sc. Renal Sciences & Dialysis Technology
- 92. M.Sc. Perfusion Technology
- 93. M.Sc. Urology Technology
- 94. M.Sc. Applied Child Development
- 95. M.Sc. (Medical Psychology)
- 96. M.Sc. (Clinical Psychology)
- 97. M.Sc. (Clinical Immunology)
- 98. M.Sc. (Respiratory Therapy)
- 99. M.Sc. Medical Radiology and Imaging Technology (5-year Integrated)(*under CBCS*)
- 100. M.Sc. Mind-Body And Life Style Science

This is a five-year Integrated Program which has been designed keeping in mind the needs of the, medical colleges, hospitals and diagnostic centres, Students with Higher Secondary or equivalent qualification with Physics, Chemistry and Biology are eligible for admission. Apart from training in the Radiology Department, students will be encouraged to get training in industry also to gain hands on experience.

101. M.Optom.

102. B.Sc.(Hons) Allied Health Sciences (*under CBCS*)

The Deemed University realized the significant gap in the makeup of the vital medical team to care for patients in specialty areas. This led to the initiation of a Bachelor degree Program in Allied Health Sciences (with one year internship).The Program requires the students to go through basic medical and allied sciences including anatomy, physiology, biochemistry, microbiology, pathology, pharmacology and disease concepts before they enter into specific specialty oriented programs. The currently available specializations (technology) in B.Sc. Allied Health Science degree Program are as given below:-

i) Anaesthesia Technology	vi) Orthopaedics Technology
ii) Critical Care Technology	vii) Paediatric Surgical Technology
iii) Geriatric Care Technology	viii) Perfusion Technology
iv) Neuroscience Technology	ix) Plastic Reconstructive and Cosmetic Technology
v) Nuclear Medicine Technology	x) Urology Technology

103. B.Sc. [Hons] Renal and Dialysis Technology

104. B.Sc. [Hons] Cardiac Technology

105. B.Sc. [Hons] Radiology and Imaging Science Technology

106. B.Sc. [Hons] Respiratory Therapy

107. B.Sc. Medical Laboratory Technology

108. BOT Bachelor of Occupational Therapy

109. B.Sc.(Hons.) Medical Microbiology and Molecular Biology (under CBCS)

110. B.Sc.(Hons) Radiotherapy Technology

111. B.Optom. (under CBCS)

The Program (with one year Internship) trains optometrist who examines, diagnoses and helps the Ophthalmologist in the treatment and management of diseases and disorders of eye and associated structures. Optometrist is a professional who is trained to prescribe refraction corrections of the eye with high degree of competence. The Program is structured to build knowledge, develop skills and expose the candidates to real-work situations in hospitals and health care organizations. It aims to meet international standards with multi-disciplinary skills. The program also trains students in aspects of management, finance and computer knowledge. The Department of Ophthalmology offers this program.

112. B.Sc. Applied Psychology

Psychology, as an academic discipline, has bright prospect in the contemporary world and is emerging as a discipline of excellence. The need for Psychological help in various walks of life especially from the qualified fraternity is increasing as never before. Applied Psychology is particularly concerned with psychology relevance to a range of everyday issues such as health, education, technology, and neuropsychological rehabilitation. The course structure is reflective of the same with courses and projects throughout the duration which require mastery of the subject. The syllabi for B.Sc. Applied Psychology based on Choice Based Credit System (CBCS) have been designed in such a manner to encourage students with aptitude, interest and skills to join for graduate programs in Psychology and to build up a work force of competent psychologist within the public reach. This course aims to develop a holistic and multidimensional understanding of the topics. It attempts to approach new areas of learning, develop competencies in the students thereby opening various avenues for self-discovery, academic understanding and employment. To this end, practicum is incorporated as an important component in many of the papers. Use of ICT and mass media and web based sources is highly recommended to make the teaching learning process interactive and interesting. Along with routine examinations, classroom participations, class assignments, project work, and presentations would also be a part of the overall assessment of the students.

They have a wide range of job opportunities like Welfare organizations, the advertising industry, colleges, defence forces, hospitals, community and mental health centres, prisons and correctional programs and institutions, counselling, child care, rehabilitation centres, youth guidance etc.

Department of Speech, Language & Hearing Sciences

The Department of Speech, Language and Hearing Sciences was established under the Faculty of Allied Health Sciences in 1995. To date, this is the only college in the state that offers undergraduate (since

1995) and postgraduate (since 2004) degrees in the field of speech, language and hearing. The programs are recognized by the Rehabilitation Council of India. The Deemed University also offers Ph.D. Program in speech, language and hearing. Training in this field will enable individuals to provide diagnostic and rehabilitative services to those who are communicatively handicapped. Various facilities such as audiological suites, electrophysiology labs, speech diagnostic and therapeutic units serve as primary source for clinical and research training. The students have the opportunity to undergo training in various specialty areas including neonatal hearing screening, early intervention programs for the communicatively handicapped, cleft care, stuttering management, professional voice care, bedside evaluation of patients and routine audiological and speech evaluation and rehabilitation.

Programs

113. M.Sc. Audiology

114. M.Sc. Speech-Language Pathology

115. B.ASLP Bachelor of Audiology & Speech-Language Pathology

Department of Clinical Psychology

116. M.Phil. Clinical Psychology

A two- year specialty program has been introduced for the benefit of students who opt for a rewarding career in the field of Clinical Psychology. Clinical Psychologists form an important part of the psychiatry team participating in diagnosis, psychotherapy and research programs. This program is recognized by the Rehabilitation Council of India.

Department of Clinical Nutrition

117. B.Sc. Clinical Nutrition (*under CBCS*)

The Department of Clinical Nutrition also offers a Bachelor's Program (three-year) for those who have passed the Higher Secondary or equivalent examination from a recognized Board, with Nutrition and Dietetics/Home Science/Basic Science subjects with Physics, Chemistry, Biology (or Botany and Zoology) and/or mathematics/computer science. The Program is first of its kind and is unique as it offers students with practical hands on experience through a comprehensive and practical curriculum in patient care, integrated with various science disciplines; such as anatomy, physiology, biochemistry, microbiology, pharmacology, psychology and computer applications.

118. M.Sc. Clinical Nutrition (*under CBCS*)

A clinical nutritionist is a specialist in the science of nutrition equipped to working in the health care system. He/she is trained to assess and evaluate nutritional deficiency or imbalance and recommend treatment through the use of specific dietary supplements, vitamins etc., to maintain optimal health of patients and others. There is growing demand for clinical nutritionists in India and abroad.

Department of Emergency and Trauma Care Technology

119. M.Sc. Trauma Care Management (*under CBCS*)

This is a two-year Program, giving an opportunity to those who have qualified for the B.Sc. Trauma Care Management to do a postgraduate Program in their own discipline.

120. B.Sc. Trauma Care Management (under CBCS)

For the first time in India, the Program with one year internship leading to B.Sc. Trauma Care Management has been introduced in our Deemed University.

Emergency and Trauma Care Management Technologists are members of the emergency medical care team who use their knowledge and skills to provide basic and advanced life support to seriously ill or injured patients before these patients reach the hospital. They are involved in patient rescue and enable their safe transport by ambulance to appropriate medical centres. The Program is accredited with Edexcel which is the regulatory body for paramedic education in the United Kingdom.

7. Sri Ramachandra Faculty of Management Sciences

121. MBA Hospital and Health Systems Management (under CBCS)

Deemed University appreciated the need for capable health care administrators who can relieve the administrative burden of the doctors and help enhance the service potentials of the hospital and came up with the idea of introducing a 2- year MBA Program in Hospital and Health Systems Management, under Choice Based Credit System with a wide range of electives to suit industry requirement. The Program has been approved by the All India Council for Technical Education, New Delhi and is popularly sought after by aspiring youngsters. The placement record of the Department has been consistently high, right from its inception.

Elective Streams: Healthcare Quality, Healthcare Finance and Healthcare HR

122. BBA Hospital and Health Systems Management (under CBCS)

Sri Ramachandra College of Management also provides an excellent opportunity for aspiring students who have passed the Higher Secondary or an equivalent examination from a recognized Board to undergo a Bachelor's three-year Program consisting of case study, role play, book review, vide discussion and lectures, hands on posting internship and projects, industry institution interaction knowledge transfer by experts, guest lectures by renowned academicians and industry experts and active learning facilities. The Program is offered under Choice Based Credit System with a wide range of electives to choose from.

123. Executive Diploma in Healthcare Management

8. Sri Ramachandra Faculty of Biomedical Sciences and Technology

Biomedical scientists research exciting and dynamic areas that are highly relevant to the understanding and treatment of human diseases; from cancer diagnosis to vaccine discovery, from infections to genetic diseases. The multidisciplinary approach in our highly respected and internationally recognized centre for biomedical science means students will benefit from leading experts working within a variety of non-clinical and clinical departments. Extensive research activities that attract funding from national and international agencies ensure that increasing emphasis is placed on scientific research. This Faculty offers undergraduate and postgraduate programs in biomedical sciences, biotechnology, human genetics, and applied biomedical sciences. Well-equipped laboratories and modern class rooms with highly qualified and experienced faculty members make the college among the best in India. Extensive research activities that attract funding from national and international agencies are the hall marks of this college. The college offers the following programs:

124. B.Sc. (Hons) Biomedical Sciences (under CBCS)

The Deemed University has been offering B.Sc. Biomedical Sciences Program from the academic year 2007-08 with an option of opting one of the four major specializations in the fourth year of the Program in Biomedical Sciences, Human Genetics, Biotechnology and Bioinformatics. The B.Sc. Biomedical Sciences program, which is one of its kind in the country, has been meticulously designed keeping in mind the importance of imparting complete education with emphasis towards understanding the fundamentals of basic sciences and medical sciences, which provides a strong foundation for higher studies and professional careers. The curriculum is strongly multi-disciplinary and will sensitize students to the latest developments in the field of Biomedical Sciences like Genomics, Proteomics, Applied Biotechnology, Antibody Engineering, Medical Genetics, Medical Transcription and Cancer Biology. The curriculum also emphasizes basic chemical, physical, mathematical sciences, computer applications and management principles. The program aims at producing highly trained and skilled biomedical scientists who will have flexible career opportunities and can make valuable contributions in the field of biomedical research. This degree will open doors to higher studies (Master's and Doctoral Programs) and academic staff positions at leading universities and research institutes in India and across the globe.

125. M.Sc. Biomedical Sciences (under CBCS)

The Master's programme in Biomedical Sciences provides a unique combination of fundamental research and clinical application, with a special focus on multidisciplinary aspect such as biochemical, molecular and patho-physiological mechanism of diseases. Investigating and understanding the diseases give the skill and knowledge to work towards discovery and development of preventive/ therapeutic drugs. There is an increasing prevalence of noncommunicable diseases as a result of lifestyle changes and urbanization in India. Infectious diseases are also still persisting as major health problems in Indian population. These are the challenges that are to be tackled in the new millennium, so there is a need to understand the pathogenesis and to develop the new markers and diagnostic protocols with respect to the relevant field. The requirement for Biomedical Scientist is important because they are expected to bridge the gap between biomedical research, diagnostics and clinical applications

126. M.Sc. Human Genetics (under CBCS)

As the details of the human genome unfolded, the variety of opportunities for people with degrees and training in human genetics is continuing to expand. The faculty of the department of Human Genetics bridge between basic and clinical research and tutor students for careers in academia, industry, and laboratories. A common theme throughout the course is the application of basic genetic principles and strategies to the study of disease mechanism, disease susceptibility, and the genetic architecture of complex traits. The curriculum allows each student to explore their research and academic interests independently which enables numerous opportunities for interdisciplinary research and collaborations, both internationally and in India. In the last 23 years we have yielded a vibrant and innovative community of teachers, entrepreneurs and scientists; a testimony to the strength of the program. Many avid and ambitious students seek opportunities to pursue the special area of Human Genetics, as they are aware of the great future that is in store for them. The Master's Program in Human Genetics has attracted students of high calibre from many parts of the country. In addition to the well-structured teaching Program, they have the advantage of hands-on experience in utilizing the state-of-the-art diagnostic equipment in the field of genetics. The institution has already created a core group of committed geneticists who contribute to research in cytogenetic and connected fields.

127. M.Sc. Biotechnology (under CBCS)

Realizing the potential role of Biotechnology, the college has been offering a two- year Postgraduate Program in Biotechnology since 2001. Under the excellent ambiance of health care sector the students receive practical training and are made to conduct guided seminars and independent dissertation on a wide range of research projects including clinical research. The college is dedicated to research work in every aspect of medicine, from advanced technology to herbology, cancer biology, molecular diagnostics and environmental science that helps students to be placed in academia and Industry in India and abroad.

128. M. Sc. Applied and Regulatory Toxicology (under CBCS)

Centre for Toxicology and developmental research (CEFTE), is OECD-GLP certified test facility since 2014. Having the state-of-the-art infrastructure and expertise, conducts 'product safety evaluation' within 'drug development' program of academia, research institutes and Pharma industry. The potential of risk assessment of pharmaceuticals and chemicals to which humans and the environment are exposed provides the necessary basis for protection measures and is 'regulatory affair'. However, it is not taught either in regular basic or applied science courses. In absence of focused educational programs, demand for qualified scientists with appropriate knowledge, experience and professional qualification is unfulfilled in industry, academia and regulatory bodies. This led us to design a curriculum at par to global regulations and offer an educational program through CEFTE that facilitate the development of competent qualified professionals. The master's program in "Applied and Regulatory Toxicology" includes a unique combination of Toxicological principles and its regulatory perspective. 'Regulatory Toxicology' covers the collection, processing and evaluation of experimental data to permit toxicologically based decisions directed towards the protection of health against harmful effects of drugs, chemical substances, food and feed additives and medical devices etc. The program provides a

broad, modern training in theoretical and practical aspects of fundamental and applied toxicology with interdisciplinary approach. Curriculum is taught by working professionals and Bench-scientists. Unlike other academic courses, students will have opportunity to witness and learn through number of research/experiments being carried out at CEFTE. Students are encouraged to observe real-life research processes, laboratory techniques and also assist as feasible. Hence, these students will demonstrate excellence in all the toxicology disciplines. This advanced graduate degree has specifically developed to meet the needs of employers like industry, academia and regulatory agencies; tailored to provide wider opportunity for employment and higher studies. Graduates completing the program will be eligible for international toxicology accreditations e.g. ERT, DABT, UK-RT, etc

9. Sri Ramachandra Faculty of Public Health

Department of Environmental Health Engineering was set up, as a part of the Basic Science Research Wing of Sri Ramachandra Deemed University, Chennai, in 1998 with the aid of financial assistance provided by the United Nations Industrial Development Organization. The department originally set up to provide occupational safety and industrial hygiene monitoring services to the leather/tanning industry in Tamil Nadu, has since then been expanded to include a variety of R & D and training activities, that cover a broad spectrum of environmental health concerns. It is a recipient of extra-mural research and training grants from NIH, WHO, World Bank, UNDP, USEPA, Central and State Ministries of Govt. of India.

The primary focus of the department is on conduct of health risk assessments for environmental pollutants (in both the occupational and ambient environment). The department also provides routine occupational safety and health consultancy services to a wide spectrum of industries. The department is equipped with a state of the art environmental monitoring and industrial hygiene laboratory.

The World Health Organization (WHO) has designated Sri Ramachandra Medical College and Research Institute as a WHO Collaborating Centre for Research and Training in Occupational Health.

The Environmental Health Engineering Department has been recognized by the International Labour Office of the United Nations, Geneva as a collaborating centre of the International Occupational Safety and Health Information Centre (CIS) Network.

129. M.P.H. Occupational and Environmental Health (*under CBCS*)

The Masters in Public Health in Occupational and Environmental Health under the Faculty of Public Health is a two year postgraduate degree Program, aimed at training students to become efficient and effective Occupational and Environmental Health professionals with leadership qualities, knowledge and skills. The focus of the program is to ensure that student's competences in understanding of issues related to occupational and environmental health prevailing at different work and environmental settings are enhanced and that these skills are put into practice in diverse situations in the field. The Program aims at enhancing the research and analytical skills to an advanced level that would facilitate students to design and conduct quality research studies in the area of occupational and environmental health. The Program is hence designed to give an intensive training to enable students to identify,

define and measure different parameters of occupational and environmental health, collect relevant data, effectively analyse data using appropriate statistical methods, have critical thinking, scientifically interpret information, describe the interrelationships of scientific, economic, political, social, ethical, cultural and personal interaction with issues and concerns of occupational and environmental health.

130.B.Sc. (Hons.) Environmental Health Sciences

Undergraduate students of the BEHS are trained in the fundamentals of environment and its impact on health. Hence, such students possess the training and expertise to become highly skilled technologist in water, air, food quality testing, disease surveillance and environmental conservation. The need for such expertise and training has been increasing in industries and laboratories, either in government or private sectors, which are involved in testing environmental parameters, disease surveillance and environmental conservation. These interdisciplinary environmental biologists can also progress vertically.

131.B.Sc. Public Health

10. Sri Ramachandra Faculty of Sports & Exercise Sciences

Sri Ramachandra Institute of Higher Education and Research (Deemed to be University) has always been in the forefront of education. It conceptualized and developed a Master Degree program in Sports Medicine on par with the international standards adhering to the curriculum of leading universities worldwide. The University also conducts MD (Sports Medicine) course which is the first of its kind in India and is also recognized by the Medical Council of India (MCI).

The Faculty of Sports and Exercise Sciences of SRIHER conducts an undergraduate course, B.Sc. Sports and Exercise Sciences in academic collaboration with the University of Cape Town, South Africa. The faculty of University of Cape Town participate in teaching and training of students enrolled in this course. This is a four-year course, covering all aspects of sports and exercise science.

SRIHER has the state of the art Centre for Sports Science (CSS) offering a host of multidisciplinary services to the sports persons through a team of highly qualified and experienced full time professionals along with international experts in various key areas like sports medicine, physiotherapy, biokinetics, biomechanics, nutrition and sports psychology.

CSS is complete with state of the art exercise physiology labs, isokinetic testing and training lab, sophisticated bio mechanical lab, sports rehabilitation unit, physiotherapy and hydrotherapy, multi sports testing/training hall, a high performance centre, world class fitness centre with an indoor running track, international standard indoor swimming pool, video and game analysis room, sports cafeteria, turf sport ground, boarding and lodging facilities, specialist consultation suites, board rooms, class rooms, library, sports museum, environmental chamber and a large aerobics yoga hall. It also boasts of a lake for water

sports. It has been accredited by AFC as a Centre of Excellence. For more details visit <https://www.csstrucoach.in/>

The Deemed University has excellent play fields and other sports and recreational facilities. Besides class room teaching in theoretical aspects, the students will be enabled to have practical experience by postings in various sports and athletic clubs and other establishments. Students who graduate will have ample opportunities in getting employment in sports and science establishments, associations, wellness centres and clubs -- both private and public sector.

- 132. Master of Physiotherapy (Sports)
- 133. M.Sc. Sports and Exercise Psychology
- 134. B.Sc.(Hons) Sports & Exercise Sciences (*under CBCS*)

This program is offered in collaboration with the University of Cape Town, South Africa, a world renowned University for sports medicine and exercise science. The program covers all aspects of sports and exercise science. The students will be enabled to have practical experience by postings in various sports and athletic clubs and other establishments. Students who graduate will have ample opportunities in getting employment in sports and science establishments, associations, clubs both in private and public sector.

11. Sri Ramachandra Faculty of Clinical Research

The 'Research Vision' of the Deemed University is to evolve the DU and gain the recognition as an "International Centre of Excellence in Translational Medical and Biomedical Research"

Clinical Research is the branch of Science that systematically determines the safety and effectiveness of medications, devices, diagnostic products and treatment regimens for use in human subjects under proper ethical guidelines

Central Research Facility (CRF) in 2007 as the "A to Z gateway" for the conduct of research for students, researchers and Faculty members, to take care of all logistics of research planning, research projects, Accounts and Finances, research documentation, besides providing a centralized sophisticated equipment facility and the Deemed University.

The Department of Scientific and Industrial Research [DSIR], Government of India has recognized Sri Ramachandra Deemed University as Scientific & Industrial Research Organization [SIRO] and the Department of Science & Technology (DST), Government of India has provided Customs/Central Excise Duty Exemption registration to Sri Ramachandra Deemed University. All research and development activities of the entire Deemed University by students, Researchers and Faculty members and all the Centres of Research of the Deemed University are co-ordinated by Professor of Eminence and Dean [Research]. The CRF has dedicated faculty members fully dedicated for carrying out research appointed as Professor (Research), Associate Professor (Research) and Assistant Professor (Research) with researchers associated with the Centres of Research.

- 135. M.Sc. Clinical Research
- 136. M.Sc. Stem Cell and Regenerative Biology
- 137. B.Sc. Clinical Research

12. Sri Ramachandra Faculty of Engineering and Technology

Sri Ramachandra Faculty of Engineering and Technology (SRET) is the new addition to SRIHER with a mission to promote excellence in engineering and technology education, to prepare graduates to solve society's problems, and to be at the forefront of innovation and applied research.

SRET programmes are modeled after some of the best programmes in India and around the world. With a blend of strong fundamentals and experiential learning, these programmes are aimed at preparing graduates to meet the engineering challenges of industry and society. Engineering and technology programmes at such institutions as the Indian Institutes of Technology, and the National Institutes of Technology in India and the Purdue University, Virginia Polytechnic Institute, the State University of New York, the Rochester Institute of Technology and the Northeastern University in the USA and McMaster University in Canada and others elsewhere served as benchmark programmes in formulating the curricula. Input from experts in industry, academia and the research organizations guided the development of the programmes and their curricula.

Sri Ramachandra Faculty of Engineering and Technology (SRET) will offer the following AICTE approved programmes from the academic year 2019-20:

- 138 B. Tech. – Computer Science and Engineering
(Artificial Intelligence and Machine Learning)
- 139 B.Tech. – Computer Science and Engineering
(Cyber Security and Internet of Things)
- 140 B.Tech. – Computer Science and Medical Engineering
- 141 B.Tech. Computer Science and Engineering (Artificial Intelligence and Data Analytics)
- 142 B.Sc. Computer Science (Artificial Intelligence)
- 143 B.Sc. Computer Science (Artificial Intelligence and Data Analytics)

The following programs also conducted under the Faculty of Engineering and Technology:

144. B.Sc. Bioinformatics (under CBCS)

Realizing the lack of a multidisciplinary training in the area of Bioinformatics at the undergraduate level, the three-year, job-oriented B.Sc. Bioinformatics program was introduced in 2018. The program is designed to provide a profound theoretical and practical knowledge in Bioinformatics to tackle real-world life science problems from an informatics and computational perspective. This course also provides an overview of the requirements of current legislation and standards pertaining to biomedical sciences. This program lays strong foundation to the students for preparing themselves as leaders in biomedical sciences.

145. B.Sc. Health Informatics (under CBCS)

B.Sc. Health Informatics is designed to provide knowledge about computer science and health informatics to the student in order to identify, design and manage informatics solutions relevant to health and health systems. It will equip the student with knowledge and skills to tackle real-world medical science issues, from an informatics and computational perspective. Through the experiential learning, the student will experience what it is like to use the knowledge, tools and skills learned in the program in a real public health setting.

146. B.Sc. Data Sciences (under CBCS)

Data science, also known as data-driven science, is an interdisciplinary field about scientific methods, processes and systems to extract knowledge or insights from data in various forms. Data may be either structured or unstructured from various sources analysed by high end algorithms and tools. B.Sc. Data Science is a specialized program which offers detailed learning in data science, data analytics, project life cycle, data acquisition, analyses, statistical methods and machine learning. It is an extremely unique course with hands-ons/ marketable skills, complete with more practical training.

147. M.Sc. Medical Bioinformatics (under CBCS)

Medical Bioinformatics is one of the major growth areas in medicine and technology. It has tremendous potential to leave its impact on the everyday lives of people from genetically engineered food to drug discovery. It is in the limelight of multifarious drug trials also. The multidisciplinary Master's Program in Medical Bioinformatics, open to motivated candidates with appropriate qualification in science subjects, can offer a rewarding and exciting career. Students choosing to pursue a Master of Science (M.Sc.) in Bioinformatics are most likely interested in working as researchers within the discipline of molecular biology, while taking advantage of information technology to manage and organize large databases of biological data on the molecular level.

148. M.Sc. Artificial Intelligence (Full-time & Part-time)

149. M.Sc. Data Analytics (Full-time & Part-time)

CERTIFICATE COURSE

The Certificate in Hospital Technician Course was started in the year 1994 by our Founder Chancellor Thiru N.P.V.Ramasamy Udayar with a noble vision to provide qualified technicians to the hospital. This course is designed to enable a Hospital Technician to develop the competencies for skilled patient care, in a hospital/clinic. The students are given practical training in Sri Ramachandra Hospital.

The candidate who have shown interest towards learning and who are in the below poverty line are enabled to pursue this education with free of cost offered by Sri Ramachandra Deemed University and also a stipend of Rs.500/- is given monthly to every student to meet the expenditure and as an encouragement.

150. Certificate in Hospital Technician Course (1 year)

HEALTHCARE SECTOR SKILL COUNCIL PROGRAMS (HSSC)

Under the “Skill India” program of Government of India, the “Healthcare Sector of Skill Council” has been established. The major objective of this program is to develop skill-built manpower in the Healthcare Sector. SRIHER (DU) is conducting the following 13 Job oriented certificate courses in Healthcare sector for 6 months (full-time) every year for the +2 completed students:-

- 151 Diabetes Educator
- 152 Anaesthesia Technician
- 153 Emergency Medical Technician Advanced
- 154 Emergency Medical Technician Basic
- 155 General Duty Assistant
- 156 Home Health Aide
- 157 Operating Theatre Technician
- 158 Medical Records and Health Information Technician
- 159 Phlebotomy Technician
- 160 Histotechnician
- 161 Refractionist
- 162 Dental Assistant
- 163 Medical Equipment Technician - Basic Clinical Equipment**

After completion of these programs the above Healthcare Skill Sector Council (HSSC) is issuing the certificates to the successful candidates.

NATIONAL SERVICE SCHEME

In order to make the students socially responsible and service minded, NSS has been started in February 2014. Necessary approval has been received from the Ministry of Youth Affairs and Sports for starting 5 units of Self Financing NSS units in the deemed university.

At present 5 NSS units are operational comprising 500 NSS volunteers drawn from eight constituent colleges/ faculties of the deemed university. The NSS has adopted 5 nearby villages and implementing community and social service programmes focusing on Health care, Sanitation and Environmental protection under Swachh Bharat Abhiyan and Unnat Bharat Abhiyan of Govt. of India.

PLACEMENT CELL

Considering the large number of students pursuing various courses from Sri Ramachandra Institute of Higher Education and Research, a Centralized Placement Cell has been constituted. In a given academic year, placement period will be from June to July (next year) (13months) (June to July - Registration Process (Placement/Other Career);August to July (next year) – Placements).

The placement cell uploaded the following two career links for the final year students in our esteemed official website. It is mandatory to all the final year students.

LINK 01 : PLACEMENT REGISTRATION (STUDENTS OPTING FOR THE PLACEMENT)

LINK 02 : CAREER PLAN (STUDENTS OPTING FOR HIGHER STUDIES AND OTHER CAREER PLANS) WITH SELF DECLARATION FORM

CAREER LINKS REGISTRATION PROCESS

Step One : please visit www.sriramachandra.edu.in ; CLICK ON THE " ENTER DEEMED UNIVERSITY" TAB

Step Two : Please click on the "Placement" tab (Top left corner on the home page)

Step Three: Please choose any one of the following career option and complete the process

- PLACEMENT REGISTRATION (PASSWORD : 931920)*
- CAREER PLAN(PASSWORD : 641920)*

The placement/campus process:-

- Job Description (JD) to the respective eligible students
- Willingness Registration Process (WRP)
- Official circular with date, time, venue, database and Job Description
- Announcement of final placement/campus selection
- Employer feedback

List of Recruiting Companies:

- "Our regular recruiters includes Philips, Biocon, Wipro GE, Siemens, Astra Zenca, Abbott, Wockhardt, Pfizer, Cipla, Bioclinica, HCL Technologies Nestle, The Himalaya, Sankara N
- etralaya, HDFC LIFE, Indegene, Lenskart, Fitnessone, etc,. The salary package offered ranges between Rs. 2.1Lakhs to Rs. 14.4 Lakhs p.a."

INTERNATIONAL STUDENT CELL

Welcome to Sri Ramachandra Institute of Higher Education and Research and Chennai, India! We know you have travelled from far away and are looking forward to your educational experience in India. We at the Sri Ramachandra Institute of Higher Education and Research International Relations look forward to meeting you and supporting you throughout your time on campus.

SRIHER offers a wide range of programs and services designed to make you feel welcome and to support your academic and social success during your time at SRIHER. Our International Student Advisors and professional staff provide confidential advice and services on a range of topics such as immigration, intercultural communications, English conversation support and much more. This handbook will give you a brief introduction to these programs and services, and serve as a guide as you make the transition into your new academic setting.

At SRIHER we welcome diversity. International students enrich our classrooms, our research initiatives, our campus, and our SRIHER. During your time with us please share your diversity, experiences and perspectives as you interact with fellow students, faculty members and staff, both inside and outside the lecture hall. Finally,

Sri Ramachandra Institute of Higher Education and Research has an active international student's cell (ISC) to cater to the requirements of NRI/ Foreign students. This cell extends meet and greet service for international students, health and welfare provision, conflict of resolution, counseling services, etc. This Cell also handles incoming visit by international students including students under exchange, prepares a guide for foreign students and provides reception, visas assistance, travel and hostel accommodation for them. We also assist international students to apply for or extend their visas.

This cell also promotes friendship and cultural understanding through interactive events between the students. We also assist the International students to go through the online registration (C Form & S Form, etc.) process as well facilitate their visit to the FRRO office and guide them through the FRRO formalities and requirements.

We require the foreign passport holders to visit the <https://indianfro.gov.in/eservices/home.jsp> to register formally with FRRO to complete the C form online within 24 hours of checking into hostel/Guest House complex in the campus. This should be complied with strictly.

Medical Examination

Every candidate needs to undergo a medical examination (refer the attachment sent along with PAL for the nature of tests to be undergone by the candidate) in any reputed hospital and the report to be submitted to the Office of the International Relations, Sri Ramachandra Institute of Higher Education and Research (SRIHER). Confirmed Admission Letter will be issued only after the receipt of the medical examination report.

Security Registration

It is a mandatory process that within the stipulated time frame of arrival in India, the student has to register his/ her name with the Foreigner's Registration Office (FRO) / Foreigner's Regional Registration Office (FRRO). A student with a PIO card also must register at the FRRO. Only OCI card holders need not register. Sri Ramachandra Institute of Higher Education and Research (SRIHER) would provide necessary assistance in this regard. The applicable immigration processing fees and other related expenses have to be additionally borne by the student.

Student life at SRMC&RI (DU)

The Deemed University is a youthful vibrant and colorful campus. With exceptionally well appointed student housing, manicured lawns, playgrounds, gymnasiums and restaurants, the campus is agog with student life and activity. Student housing is secure and well supervised. Designated study areas, air conditioned class rooms and small group discussion areas add value to learning. The presence of students and postgraduates across the health care spectrum enhances the interdisciplinary educational experience. Beside class, social events, annual cultural, literary, fine art events, NSS and sports fill the calendar. The campus is designed to ensure that students find a safe aesthetically pleasing environment to pursue their chosen careers with maximum support.

The international student experience

Ever since its inception, international students have been a part of SRIHER (DU). Drawn from countries all over the globe, students have found the Deemed University a home away from home. Separate comfortable hostels are available for international students. An international student officer and counselor provide individualized attention to the needs of international students.

MoU and Collaborations

There are 135 functional MoUs as in June, 2018 with foreign and Indian institutions/ Universities/ Industries for academic & research collaborations with provision for students and faculty exchanges and for conducting teaching & research Programs.

Foreign Universities / Institutions Collaborating with SRIHER

Emory University, USA; Texas Medical Centre, USA; University of California at Berkeley, USA; CITI University of Miami, USA; University of Wisconsin, USA; Wayne State University, Detroit, USA; University of Washington, USA; Kyushu Dental College, Japan; University of Cape town, South Africa; Smile Train USA; University of Miami, USA; University of Hong Kong; Staffordshire University, UK; Sheffield Hallam University, UK; National University of Taiwan, The University of Sheffield, UK; North Umbria University, England, East London University, UK; University of Rochester, USA. and others

OBSERVERSHIP/INTERNSHIP/TRAINING PROGRAM DESCRIPTION

1. Observership program provides qualified medical/paramedical national/international students an opportunity to visit the SRIHER for the purpose of observing activities at the University on a temporary, restricted basis.
2. Internship/Training program provides qualified medical/paramedical national/international students an opportunity to visit the SRIHER and the program complements and expands and uniquely emphasizes the knowledge and skills needed to independently treat and manage acutely ill inpatients.

For Application and other details visit: sriramachandra.edu.in;

Send email to: assistantdean.ext@sriramachandra.edu.in;

ALUMNI ASSOCIATION

Alumni Association of Sri Ramachandra Institute of Higher Education and Research aims at creating and maintaining a life-long relationship between the Institute and its alumni. In collaboration and active contribution of a team of extremely dedicated volunteer board of directors and members across the constituent colleges, the Alumni Association works to connect alumni, support students and build an Institute experience through events, programming and services. Membership to the association links the students to a strong network of alumni positioned at various capacities across the globe.

The in-house grand alumni meet was organized with active participation and the event marked the launch of the logo with the theme “To Reconnect, To Reunite and to Reminisce” and also has launched an online social platform “Alum Book” to help the alumni to connect, participate and share ideas and opportunities and Alumni ID cards are also issued to entitle alumni for in-house privileges.

It promotes life-long learning by organizing lectures, discussion sessions, on-campus conferences, conducted by eminent alumni and current and emeritus faculty. CMEs, guest lectures, career guidance and entrepreneurship ventures are also organized annually to support students towards placements. The alumni also contribute to their alma matter by offering clinical services in camps, distribution of clinical aids for patients and books and learning materials for students.

“VIDYA SUDHA”

Sri Ramachandra Learning Centre for Children with Special Needs

Vidya Sudha was conceived and created by Sri Ramachandra Educational & Health Trust in the year 2004 with the aim of helping parents of children with special needs and providing optimum care, for these children. It is a uniquely designed day care centre where parents form an integral part of the plan and care process of the children with special needs. Vidya Sudha is an early intervention holistic Program where the team of experts with diverse back grounds and specialties come together to cater to the overall development of the child with special needs.

**CENTRAL RESEARCH FACILITY
OF
SRI RAMACHANDRA INSTITUTE OF HIGHER EDUCATION
AND RESEARCH (DEEMED TO BE UNIVERSITY)**

Research Vision:

The 'Research Vision' of the Deemed University is to evolve the DU and to gain the recognition as an "International Centre of Excellence in Translational Medical and Biomedical Research"

Structure:

Sri Ramachandra Institute of Higher Education and Research (Deemed to be University) (SRIHER) has established a Central Research Facility (CRF) to gain international recognition as a Centre of Excellence in Medical and Science & Technology Research. Prof. S.P.Thyagarajan, an internally renowned Biomedical Scientist and former Vice Chancellor, University of Madras has conceptualized and developed the facility in 2007 in an area of 25,000 sq.ft. as the "A to Z gateway for 360° research by students, researchers and faculty members with State of art infrastructure, research promotion and implementation strategy, besides organisation and administration of all research and development programmes of the Deemed to be University. Prof. S.P. Thyagarajan, who is heading the Central Research facility and the Faculty of Clinical Research, is currently Professor of Eminence & Dean (Research), SRIHER.

He is a D.Sc. in Microbiology in addition to his Ph.D. and M.D. Degrees and has also been conferred with several Fellowship titles including those by National Academy of Sciences and National Academy of Medical Sciences. The most recent honour accorded to him is the "Honorary Fellowship of Royal Society of Physicians & Surgeons, Glasgow, UK in Travel Medicine in 2019. He has put in 50 years of teaching and research experience in Tamilnadu Medical Colleges, University of Madras and Sri Ramachandra University. He has till date completed 60 research projects funded by national and inter-national funding agencies. He has published 347 research papers and 20 books in the area of infectious diseases and Drug development from Natural products; He is the recipient of 42 International/National/State Awards in recognition of his scientific and academic contributions. He has collaborated with international Scientists/Clinicians from 26 countries with mutual visits to these countries/institutions. He has guided 32 candidates for their Ph.D. and 12 candidates for post-doctoral research. He is the inventor of a patented drug for the treatment of Chronic jaundice, called Hepatitis-B from the Indian medicinal plant, *Phyllanthus amarus*, [Kizhanelli in Tamil], which has already been marketed by an University-Industry agreement under the brand name "VIROHEP" by Rallis India Pharmaceuticals/ Shreya Life Sciences, Mumbai, bringing financial benefits to the University of Madras.

He is coordinating organizationally and administratively all the International and national level funded research projects and collaborations of SRIHER, with several Centres of Excellence in research granted by these agencies like NIH,WHO,DST,DAE,ICMR,DBT etc.,

The overall ambit of 'CRF' include

- (i) A centralized Sophisticated Instrumentation Laboratory (SIL)
- (ii) Sri Ramachandra Innovation Incubation Centre (SRIIC) – (BioNEST BIRAC)
- (iii) FDA audited / CDSCO registered clinical trials division

- (iv) Epidemiology Research division
- (v) University – Industry Liaison Centre with IPR / Patents Cell
- (vi) Fourteen SRIHER Centres of Research on focused areas of strength of the faculty
- (vii) De-centralized Research administration division with earmarked manpower
- (viii) Biostatistics support service
- (ix) Research Publication manuscript editorial service
- (x) Research Ethics Education Centre.

Facilities for Research meetings, Skype / Conference call with collaborators and conference room are the enabling services. In a nutshell, CRF has provided an 'innovation ecosystem' for Research & Development, Industry – Academia Plat form and for development of entrepreneurs and 'Startups'.

CENTRE FOR TOXICOLOGY AND DEVELOPMENTAL RESEARCH (CEFTE)

Centre for Toxicology and Developmental Research (CEFTE) is a Good Laboratory Practice (GLP) accredited (GLP/C-062/2014) facility certified by National Good Laboratory Practice Compliance Monitoring Authority (NGCMA), Department of Science and Technology, Government of India. It is approved by Committee for the Purpose of Control and Supervision of Experiments on Animals (CPCSEA), Government of India, (189/PO/c/99/CPCSEA) to conduct research on small animals. CEFTE brings together the toxicological and multidisciplinary pharmacological investigations of chemicals/drugs and also alternatives to animal models so as to create skilled manpower through world-class education and trainings.

The Centre has state-of-the art facilities for toxicology, pharmacology, behavioural and biochemical researches from Tissue to molecular levels. The flagship of the GLP facility is 23,000 sq.ft laboratory, which is the first of its kind in an academic institution in India.

Research facilities include two storied building with dual corridor systems (clean and service corridors) coming under the Animal Bio Safety level II (ABSL II) category with 55:45 % air recycle ration filtered through a 5 micron HEPA filter with 12 - 15 air exchanges per hour. Temperature (19-23°C), Humidity (30 - 70%) and Pressure (corridors and rooms) are centrally controlled, continuously monitored and recorded. Illuminous (220 - 350 lux) and noise (<80 db) were maintained and recorded in the animal confinements. Separate rooms for quarantine and holding to house different species such as rabbits, guinea pigs, rats, mice and with individual rooms to conduct experiments. Dedicated individually ventilated cages (IVC) systems for rats and mice are provided to work with specific pathogen free and immune-compromised animals. Uninterrupted electric supply is ensured with two 1000 KVA generators.

The biochemistry and molecular facilities are capable any type of biochemistry and molecular works used on the Pharmacology and Toxicology fields. They have the equipment (centrifuges, water baths, incubators, etc.) and capacity to run anything from gel electrophoresis, western blotting, and immunohistochemistry to double Immunofluorescence and ELISA's.

This facility has a dedicated, state of the art small animal operation theatre catering to the needs of all preclinical surgical manoeuvres. The suite is fitted with a ceiling mounted shadow less operation theatre lamp with 70,000 lux capacity. An exclusive homoeothermic rodent operation board mounted on a hydraulic operation table is an important component in rodent surgery. This apart, the theatre also has a dedicated aesthetic system that uses Isoflurane as the inhalant anaesthetic. Qualified and competent scientists contribute their fullest potential to train the students and researchers. CEFT effectively follows 3R's principles of animal use: Replacement, Reduction and Refinement.

CENTRES OF RESEARCH

As an innovative research strengthening initiative, the Deemed University has established Centres of Research on thrust areas of strength demonstrated by the faculty through funded projects and high impact factor journal publications. They are:

1. Sri Ramachandra Centre for Life Style diseases modification and prevention
2. Sri Ramachandra Centre for Indian Systems of Medicine, Quality Assurance and Standardization
3. Sri Ramachandra Centre for Regenerative Medicine and Stem Cell Research
4. Sri Ramachandra Centre for Biomedical Nanotechnology
5. Sri Ramachandra Centre for Pre-Clinical and Translational Medicine & Research
6. Sri Ramachandra Centre of Sports Sciences
7. Sri Ramachandra Centre for Health Professional Education & Faculty Development
8. Sri Ramachandra Centre for Global Collaboration
9. Sri Ramachandra Centre for Healthcare Quality & Patient Safety
10. Sri Ramachandra Centre for Perinatal Sciences.
11. Sri Ramachandra Centre for International Patient services.
12. Sri Ramachandra Centre for Early Childhood Caries Research
13. Sri Ramachandra Centre for Research on Radiology and Imaging
14. Sri Ramachandra Centre on Drosophila Research

RESEARCH PROGRAMS

The major and minor research projects operational in the Deemed University are broadly classified as (a) International collaborative projects, (b) Sponsored research projects funded by National agencies like Department of Science and Technology, Department of Biotechnology, Indian Council of Medical Research, AYUSH, Defense Research Development Organization etc., and International funding agencies like NIH, Fogarty, Wellcome Foundation, MRC London, Smile Train, Canada etc., (c) Industry - institutional R&D consultancy projects jointly funded by DST, industries and international agencies, (d) Multinational and multi centric clinical trials, and (e) Individual research projects by faculty. Besides the above extramurally funded research projects, the Deemed University from its own budgetary allocation awards

(i) UG – Summer Research projects (ii) PG Dissertations/PG Projects (iii) M. Phil & Ph.D. projects (iv) Chancellor Ph.D. Research Fellowships and (v) GATE Research Starter Grants to Young Faculty. The integrated MD/MS-Ph.D. Fellowships sponsored by ICMR is a flagship program of the Deemed University for medical post-graduates. All these research Programs are mentored, guided and supervised by 54

Research Ambassadors of the Deemed University, who are specifically recognized by the Deemed University based on their research contributions already made through sponsored research projects and publications of high citation value.

CURRENT RESEARCH PROJECTS

Currently there are 801 ongoing research projects (major & minor) in the Deemed University. These include:(a) International collaborative projects (b) Sponsored research projects funded by national agencies like ICMR, DRDO, DST, DBT, CSIR, AYUSH, BRNS etc. (c) Industry-institutional R&D consultancy projects jointly funded by DST, industries and international agencies (d) Multinational and multi-centric clinical trials and (e) individual research projects by faculty, Ph.D. students and PG students. Till now, CRF has facilitated the filing of 1 Indian patent applications and one US patent for inventions made by faculty and research students. The US patent is already awarded and commercialized by an Industry. 43 Indian Patent applications have been published till date. 2 Indian Patents have been awarded till date.

MoU AND COLLABORATIONS

There are 135 functional MoUs as in June, 2019 with foreign and Indian institutions/Universities/Industries for academic & research collaborations with provision for students and faculty exchanges and for conducting teaching & research Programs.

FOREIGN UNIVERSITIES/INSTITUTIONS COLLABORATING WITH 'SRI RAMACHANDRA'

Emory University, USA; Texas Medical Centre, USA; University of California at Berkeley, USA; CITI University of Miami, USA; University of Wisconsin, USA; Wayne State University, Detroit, USA; University of Washington, USA; Kyushu Dental College, Japan; University of Cape Town, South Africa; Smile Train, USA; University of Miami, USA; University of Hong Kong; Staffordshire University, UK; Sheffield Hallam University, UK; National University of Taiwan, The University of Sheffield, UK; North Umbria University, England, East London University, UK; University of Rochester, USA. and others

INDIAN UNIVERSITIES/INSTITUTIONS COLLABORATING WITH 'SRI RAMACHANDRA'

BARC, Mumbai, IIT-M, Chennai, IISC, Bengaluru, University of Delhi, Delhi, National Institute of Mental health & Neurosciences (NIMANS), Bengaluru, Jamia Hamdard University, New Delhi; Anna University, Chennai; Central Leather Research Institute, Adyar; Indian Institute of Technology, Madras; National Centre for Biological Sciences (NCBS) Bengaluru; IGCAR, Kalpakkam; National Institute of Epidemiology (ICMR)Chennai; International Centre for Genetic Engineering & Biotechnology (ICGEB), Delhi; Vellore Institute of Technology, Vellore; National Institute of Siddha, Chennai; National Environmental Engineering Research Institute (NEERI) Nagpur, etc.,

INDUSTRY R&D COLLABORATIONS

Some of the industries which collaborate with the Deemed University through MoUs/Agreements are Agada Health Sciences; Berkeley Air Monitoring Group; Pfizer Limited, Mumbai, East India Pharmaceutical Works, Kolkata, Himalaya Drugs Ltd, Bengaluru, Cavin Care, Chennai, Serum Institute of India, Pune, Sun Pharma, Mumbai, Apex Pharmaceuticals, Chennai; HCL (p) Ltd, Chennai; MedGenome Ltd, Bengaluru, MaggGenome Ltd, Cochin, Hospira Ltd, Chennai, Shasun Chemicals, Chennai; Life-Cell International, Chennai etc.,

RESEARCH RECOGNITIONS

The Deemed University has the following departments/centres recognized for their research contributions by international/national agencies:

- i) WHO collaborating Centre for Occupational & Environmental Health at Department of Environmental Health Engineering.
- ii) ICMR – Centre for Air Quality, Climate change and Public Health at Department of Environmental Health Engineering.
- iii) AERB – recognized ‘Bio dosimetry Centre’ at Department of Human Genetics.
- iv) CDSCO approved/US-FDA audited clinical trial facility at the Central Research Facility
- v) Government of Tamil Nadu recognized, “Prenatal genetic testing Centre” at Department of Human Genetics.
- vi) University of Miami – Centre of Excellence in Research Ethics Education.
- vii) NIH Centre for HAPIN-Trial for LPG Intervention at Department of Environmental Health Engineering
- viii) MHRD/AICTE recognized Institutional Innovation Council
- ix) DBT/BIRAC, Govt of India awarded BioNEST-Bio Incubator in Sri Ramachandra Innovation Incubation centre

RESEARCH PROMOTION SCHEMES FOR STUDENTS, Ph.D. SCHOLARS AND FACULTY MEMBERS:

The Deemed University is implementing FIVE schemes with ear-marked budget allocation in order to promote research among students at UG, PG and Ph.D. levels. They are:

Scheme – I: Chancellor Under Graduate Summer Research Fellowships

All UG Students of all disciplines of the Deemed University are eligible to apply for the 75 Summer Research Fellowships that are annually allotted to be conducted during April to June for duration of two months. Each selected UG-Fellow is provided a grant of Rs. 10,000/- The distribution pattern of the UG – Summer Research Fellowships is MBBS: 30; BDS: 20; other UGs in Pharmacy, Physiotherapy, Nursing, Biomedical Sciences & Technology, Allied Health Sciences and Management: 25.

Scheme – II: Chancellor’s Post-graduate Dissertation/Project Subsidy scheme:

Post-graduates under all the Faculties of the Deemed University who are required to carry out a research dissertation/research project in partial fulfillment for the award of their PG degree would be eligible for this scheme. Each candidate would be provided a subsidy of Rs. 25,000 towards their investigational/project expenditures.

Scheme – III: Founder- Chancellor Fellowships for Ph.D. Candidates

- i) The Founder Chancellor Fellowships are open only to the candidates registered for the opting the Ph.D.program of the Deemed University as full-time candidates.
- ii) The eligibility of candidates applying for the Ph.D. Program of the Deemed University under the various Faculties of the Deemed University would be as per the “Ph.D. – Regulations of The Deemed University” displayed in the Deemed University – Website.
- iii) All candidates applying for this fellowship have to appear for the All India level entrance examination conducted by the Deemed University during the months of January and July after due advertisement in the newspaper(s) and the Deemed University - Website www.sriramachandra.edu.in
- iv) The provisional selection of the candidates for award of these Ph.D. fellowships will be based on the inter-se merit of the candidates as per their entrance examination marks obtained by them.
- v) The final selection of candidates for registering for Ph.D. will be after approval of the Ph.D. research proposal by the Ph.D. admission committee after a presentation cum-interview.
- vi) Each fellowship will carry Rs. 12,000/- per month for a duration of three years along with a contingency grant of Rs. 25,000/- per annum.

Scheme – IV: Publication Support Grant:

- i) All full-time faculty members, Ph.D. scholars, PG and UG students whose manuscripts are accepted in indexed journals with Impact Factor for publication are eligible for this grant.
- ii) The grant to be paid or reimbursed would include only the printing charges as specified by the publishers of the indexed journal which has accepted the manuscript of the above specified author(s) based on the invoice received.
- iii) The quantum of grant would be actual or upto a maximum of Rs. 5000/-per publication.

Scheme-V: Research Starter Grant-GATE Project Grants for young faculty members:

This scheme provides a sum of Rs.1,00,000 per meritorious project proposal submitted by newly recruited/junior faculty members for not less than 15 projects under this GATE-Project Scheme, every year. It is for one year period to be personally carried out by the faculty member with the intention that the outcome of this research should be able to form the preliminary work for a major grant proposal to be submitted for the extra-mural funding agency.

Sri Ramachandra Innovation and Incubation Centre (SRIIC) –(A BioNEST BioIncubator BIRAC)

The **Sri Ramachandra Innovation Incubation Centre (SRIIC)**, is the only **Healthcare Centered/ Focused incubator** in Chennai that provides access to state-of-the-art facilities, scalable office space, and business support to promising startup companies in the life sciences arena. Formerly known as the Sri Ramachandra Sophisticated Instrumentation Laboratory, since 2007 the SRU-SIL has been supporting entrepreneurs with the tools, leverage, and guidance needed to turn innovative ideas into thriving enterprises. As of 2020 the SRIIC has been awarded the BioNEST Bio Incubator by Biotechnology Industry Research Assistance Council (BIRAC) of the Department of Biotechnology, Govt. of India.

Over the last decade the SRIIC has provided flexible office space, access to sophisticated instrumentation and laboratories, specialized **on-campus facilities** such as a CPCSEA approved facility for Breeding and experimentation on small animals that is **GLP certified**, (the only Medical University in South Asia to have one), a Cancer Tissue Bank and a Herbal Garden to name a few, to promising life science, nanotech and health care related startup companies.

It also provides access to mentoring of ideas by Sri Ramachandra University Research Governing Committees that are Nationally recognized such as **IEC**- Institutional Ethics Committee, **IBSC**- Institutional Bio-Safety Committee, **IAEC**- Institutional Animal Ethics Committee, and **ICSCRT**- Institutional Committee for Stem Cell Research and Therapy.

SRIIC offers operational support such as aiding in Company Registration, Legal Support, Business Plan Development, Mentoring and handholding, Arranges Meets with Angel Investors, Intellectual Property Consultants and Pharma Industry. Besides Logistics support such as Customs Clearance Backing, Assistance with National and International Shipping, Media and Public relations support, Hi-speed wireless work environments, Access to World Class Library and Scientific Journals, dedicated Data Management Servers and EDP Services and large scale laser copy and printing capability. The Purchase Department are also able to network suppliers who offer deep discounts due to our pooled purchasing power. Our on-campus network is a valuable resource to assist with Accounting, Legal, HR, and Finance Functions.

In essence, SRIIC encourages students, faculty and innovative entrepreneurs by providing the operational and research leverage needed to turn bright ideas into job creating, sustainable enterprises.

MHRD/AICTE, Govt.of India recognized Institutional Innovation Council-

Ministry of Human Resource Development, Govt. of India has established an ‘Innovation cell’ with a purpose of systematically fostering the culture of Innovation in all Higher Education Institutions (HEIs) across the country. The SRIHER – Institution Innovation Council (IIC) is composed of Faculty and Student representatives from different Departments with the sole objective of coordinating events and activities pertaining to Innovation and entrepreneurship in the University. The IIC meets periodically to organize and conduct activities as per the schedule given by MHRD – Innovation Cell (MIC). Students interested in being a part of this initiative are requested to contact the office of the Dean of Research.

For all details and support services, Please contact: 044-45928665.email:deanresearch@sriramachandra.edu.in

**Students Disciplinary Rules,
Payment of Tuition Fee &
University Examination Fee Rules
and
Hostel Rules**

I. STUDENTS DISCIPLINARY RULES

General

Self-discipline is the foundation on which the medical profession thrives. As health care professionals of future, it is incumbent on students to develop self-discipline of the highest degree. It should, therefore, be the endeavour of every student to observe all the rules and regulations as a matter of habit. They will at all times, conduct themselves with proper decorum and cultivate correct manners and etiquette.

Maintenance of discipline:

1. Students shall maintain strict discipline in the College and hostel premises.
2. All the students must wear their overcoats during working hours and ID cards while inside the campus without fail. Any lapse in this regard will attract disciplinary action.
3. Students shall abide by the instructions of the Faculty members and shall always interact with them with due respect.
4. No student shall take part in or involve himself/herself in any political or other movements in any manner during the course of study in the Deemed to be University.
5. Each student should behave with other students in such a manner respecting each other's feelings and creating a congenial atmosphere to study together pleasantly.
6. Any act purporting to give rise to groupism and leading to any undesirable behaviour is prohibited.
7. Students must note that individual freedom is always subject to common interests of the student community and subordinate to institutional objectives and goals.
8. All students shall observe absolute decorum and decency of behaviour at all times including during the conduct of cultural, sports and athletic meets. Any violation will be viewed seriously, calling for such disciplinary action as may be deemed necessary by the authorities.
9. Failure on the part of the students to abide by the disciplinary rules will result in such punishment including expulsion from the College/Hostel as may be imposed by the Deemed to be University.
10. The decision of the Deemed to be University with regard to disciplinary cases shall be final and all the students shall abide by such decisions.

Dress code/Uniform:

11. Male students must come neatly dressed to attend classes/clinics. They should be clean shaven. They should wear their shirts tucked in. Jeans, T-shirts, chappals and sandals are not permitted. Wearing shoes is compulsory.
12. Female students must wear sarees, churidar or salwar which are not transparent or tight fitting while attending classes/clinics. Wearing of dupattas/chunnis is compulsory. Jeans, T-shirts, skirts, tops with deep neckline, short tops/ kurthis and kurthas with high slit at the sides, are not permitted.
13. Students must wear uniforms allotted to their respective programs/departments within the University Campus.

Prohibition of Ragging:

14. Ragging in any form is strictly prohibited in the campus and outside. The UGC Regulations on “Curbing the Menace of Ragging in Higher Educational Institutions, 2009” (as amended) and the MCI (Prevention and Prohibiting Ragging in Medical Colleges/ Institutions) Regulations 2009, and DCI Regulations on Curbing the Menace of Ragging in Dental Colleges, 2009 shall be applicable to all students of the Deemed to be University. Students found indulging in ragging in any form will be liable to be expelled from Deemed to be University as per UGC/MCI/DCI regulations.
15. a) In addition, it will be the duty of every student noticing such an event (ragging) to immediately report to the Deemed to be University authorities / Resident Warden. All fresher students are instructed to report any incidence of ragging to the Deemed to be University authorities at the earliest.
b) A copy of the following Anti Ragging Regulations framed by the statutory authorities have been uploaded in the University Website/Student Portal. All the students are instructed to read them carefully and abide by said regulations strictly. Any violation/deviation shall call for stringent disciplinary action as laid down in the said UGC and MCI/DCI/AICTE Regulations.

Thefts

16. Students are solely responsible for the safe custody of their personal belongings. They will not leave any money or valuables lying about in their room or in the pockets of their dresses hung in coat stands/wardrobes. While joining the institute, the students are advised not to bring any items of jewellery, curios and other fancy or valuable items with them.
17. Any student who is found guilty of stealing or in possession of stolen private or public property/ATM cards/Credit cards/mobile phones/money will be liable to be expelled from the hostel/ institution in addition to appropriate disciplinary/legal action.

Restriction on use of cell phones within the Deemed to be University Campus:

18. The use of cell phones by the students within the Deemed to be University Campus is prohibited during college hours. It is strictly prohibited in the lecture halls, labs and examination halls.
Any violation of the above instructions will be viewed very seriously and cell phones will be seized by the faculty member/officers of the Deemed to be University on the spot and handed over to the Dean of Faculties. Further, a fine of Rs.2,000/- (Rupees Two thousand only) will be imposed on such student who violates the above said rule.
However, postgraduate medical/dental students and interneers are permitted to use cell phone for the purpose of patient care/emergency call/ official work only.

Ban on carbonated beverage, Junk food and tobacco:

19. In conformity with the directives issued by the Department of Higher Education, Ministry of Human Resource Development, Govt. of India, storage and use of carbonated beverages and junk food are banned inside the colleges of the Deemed to be University. The Deemed to be University campus is declared tobacco free area as per the guidelines of the Ministry of Health & Family Welfare.
20. Ban on use of "one time use and throw plastic items from 01.01.2019 is strictly implemented in this University campus as per the orders of the Tamil Nadu Government.
21. Smoking or consumption of alcoholic beverages, or use of banned materials inside the College, Hostel and Campus is strictly prohibited. Any violation on the part of the students will be viewed very seriously and they will be suspended from the college immediately pending enquiry and in the case of hostellers, they will be expelled from the hostels immediately. Such students will not be permitted to attend classes/sit for examinations and enter the campus without the written permission of the Deemed to be University.

Drugs & Narcotic substances

22. Possession or consumption of any harmful and intoxicating drugs/substance by students in any form is prohibited. All performance-enhancing drugs are also prohibited. It is the duty of students to the Deemed to be University and society to inform the authorities about other student(s) indulging in such activity. Students found in the company of other students indulging in this activity or allowing fellow students to consume prohibited substances in their rooms will be deemed to have committed an equally serious offence and thus be liable to the same punishment. All offences under this category will invoke very severe disciplinary punishments which includes expulsion from Deemed to be University/hostel and/or heavy fines.

Attendance & Progress:

23. Students shall devote their whole time for their studies and should maintain steady progress. They are encouraged to participate in co-curricular extracurricular activities as may be permitted by the Deemed to be University.
24. Every student shall earn the minimum attendance prescribed in the respective regulations to qualify for appearing for the Deemed to be University examinations. Those who fail to secure the minimum attendance prescribed in any subject will not be permitted to take Deemed to be University examination in that subject.
25. Attendance for internal assessment and model examinations is compulsory. If any candidate fails to secure the required passing marks in each subject in the internal assessment, he/she will not be permitted to take Deemed to be University examination. Students are advised to refer Regulations concerned.
26. The conduct/ academic performance/ attendance of each student shall be reviewed periodically and appropriate action, including detaining from appearing for the Deemed to be University Exam/

expelling from the Hostel or College, as the case may be, will be taken against the erring student. The students shall abide by the decision of the authorities of the Deemed to be University.

27. Any student who fails to pass the semester or annual examination of the Deemed to be University within the prescribed period (having break of study) shall have the course extended according to the regulations of the course/programme concerned and such students shall have to pay tuition fee and other fees for such extended duration of study also.
28. All students are required to mark attendance in the "Bio-metric" attendance machines kept in various classrooms/ locations within the campus. In case of biometric attendance not being registered, students will need to approach the students section along with letter duly attested by faculty member concerned, on the same day. Failure to do so, will result in their losing the attendance;.

Gambling

29. All forms of gambling are prohibited in the campus.

Damage to Deemed to be University/Hostel Property

30. Students shall have to make good to the Deemed to be University, when called upon to do so, any damage caused to apparatus, furniture or any other articles due to their negligence, carelessness or wantonness.
31. Students will not deface, mutilate or damage any building or property belonging to the institution or individual or cut/uproot any plants or trees in the Deemed to be University or hostel premises. Students will not cut or otherwise deface desks, tables, seats or any other furniture within the institution.

Servants

32. No student will employ a private servant during his/her stay at the institution.

Channel of Communication

33. Students should not correspond directly with Deemed to be University authorities. All letters should be submitted through Heads/Deans/Principals.

Security

34. All students will be bound by General Security Orders of the Deemed to be University.

Visitors/Guests

35. Students are not allowed to entertain any visitors/guests during official working hours of the Deemed to be University. Parents may meet faculty members with prior appointment. Parents are expected to be present for all scheduled parent-teacher meetings.

Collection of Funds

36. Students are not permitted to collect funds for any purpose from their Deemed to be University mates. Authorized collections, if any, will be made under the specific /approval/permission of the

administrative authorities and proper accounts maintained, as per norms of the Finance & Accounts Department of the Deemed to be University.

37. No funds will be collected from private parties or sponsorship arranged for any event without prior written permission of authorities concerned.
38. No student will organize/participate in any cultural event or any extra-curricular activity in the Deemed to be University or outside the Deemed to be University without written prior permission of the Dean of Faculties.

Employment/Business

39. Students are not permitted to take up any type of full time/part time employment or indulge in any kind of business while undergoing the course/programme. Any business with or without intent to profit, bartering, working on commission or carrying out or helping anybody in such tasks, is strictly prohibited.
40. Students and interns are strictly prohibited from taking employment/working in clinics outside the Deemed to be University campus.

Cinema halls, restaurants, shopping malls

41. Students should not visit cinema halls, restaurants and other public places during Deemed to be University working hours under any circumstances. Failure to abide by this rule will invite disciplinary action.

Internet/Social Networking sites

42. Students will strictly avoid uploading /posting any news or information about the Deemed to be University which may bring disrepute or negative publicity. Students will also not post or upload news or pictures which depict other fellow students in poor light.

Reporting of Unusual Occurrences

43. Any unusual occurrence in the Deemed to be University or hostels will immediately be reported by the students to the Warden or any faculty member available. Students are prohibited from entering into altercations/arguments and fights amongst themselves, or with students of other universities/colleges. They will also scrupulously avoid situations which may lead to such incidents.

Sick While on Leave

44. A student falling sick while on leave will immediately inform Deemed to be University administration by phone. Upon return from leave, students will furnish proof of hospitalization in the form of medical certificate from Registered Medical Doctors only. Medical certificates will in all cases be signed by Medical Practitioners having degree of MBBS and above only. Medical registration number of the treating doctor and his/her contact phone/mobile number should invariably be present on the medical certificate.

Violation of Orders and Disciplinary Issues

45. Any student found violating orders and indulging in unlawful/illegal activities will be subject to disciplinary action which may include suspension and or fines. The decision of the Deemed to be University administration shall be final and binding on all students and their parents.

II. DISCHARGE OF STUDENTS FROM COURSES

1. The “Regulations governing discharge of students from a course of study” as approved by the Academic Council of the Deemed to be University, shall be applicable to the students. They are advised to peruse them in the Student Manual printed elsewhere. No exemption from the Regulations will be granted to any student under any circumstance.
 - i) “If a student admitted to a course of study in this Deemed to be University is for any reason not able to complete the course or qualify for the degree by passing the examinations prescribed within a period comprising twice the duration prescribed in the Regulations for the concerned course, he/she will be discharged from the said course, his/her name will be taken off the rolls of the Deemed to be University and he/she will not be permitted to attend classes or appear for any examination conducted by the Deemed to be University thereafter.”
 - ii) “In respect of courses where internship is prescribed and if a student is for any reason not able to complete the internship within a period comprising twice the duration prescribed in the Regulations for the concerned course, he/she will be discharged from the said course, his/her name will be taken off the rolls of the Deemed to be University, he/she will not be permitted to undergo the internship in the Deemed to be University thereafter and he/she shall not be eligible for the award of the degree”
 - iii) “The course of study shall mean and include all the undergraduate, postgraduate diploma/degree and super specialty courses in medical and all the other Faculties of the Deemed to be University”.
 - iv) “The above Regulations shall be applicable to all students already admitted and to be admitted to a course of study in this Deemed to be University.”
 - v) Provided that the clause (i) and (ii) of the Regulation may be relaxed by the Vice-Chancellor for valid reasons, subject to such conditions and payment of additional fee or penalty as may be prescribed, from time to time by the Deemed University.

III. PAYMENT OF TUITION AND OTHER FEE

- i) On admission of candidates to the first year of the course of study, all the fee mentioned in the letter of admission, viz., annual tuition fee, registration fee, eligibility fee, health insurance premium, caution deposit, hostel and mess fee, etc., as applicable, should be paid on or before the prescribed date without fail. Any delay will attract payment of penalty as specified. If any candidate fails to remit tuition fee and other fees within the last date as notified, he/she will forfeit his/her admission to the course concerned.
- ii) In respect of subsequent year(s) of study, tuition fee and other specified fee shall be paid on or before the date as notified to the parents/students and on the Notice Board of the Deemed to be University/College concerned. Late payment, if any, will attract penalty as specified.

- iii) In the event of non-payment of tuition fee and other specified fee even after the lapse of the period specified for payment of the fee with penalty, notwithstanding the stage at which the student may be pursuing his/her course of study, the name of the student concerned will be struck off/ removed from the Attendance Register. On such removal of name, the student(s) concerned will not be permitted to the privileges of the course to which he/she has been admitted to, including to attend classes/ practicals, to enter library and or any other facility provided in the college/Deemed to be University campus or to obtain any usual certificate such as to avail concession, etc.
- iv) Re-admission fee, as prescribed by the Deemed to be University, will have to be paid if any student, after removal of his/her name from the Attendance Register, makes payment of tuition fee and other fee along with the specified penalty.
- v) Similarly, examination fee, as prescribed and notified from time to time, shall be paid on or before the due date. If there is any delay, it will attract penalty as specified. If any student fails to remit the examination fee even after lapse of the period specified for payment with penalty, such student will not be issued Hall Ticket for the Deemed to be University examination(s)/debarred from appearing for the Deemed to be University examination(s).
- vi) All fee, once paid to the Deemed to be University account, will not be refunded or adjusted for any other purpose under any circumstance.
- vii) All fee shall be paid to the Deemed to be University account through RTGS/NEFT mode only.
- viii) The Deemed to be University reserves the right to modify the fee structure (tuition fee, hostel fee and other fee) from time to time, which will be applicable to students to be admitted or who are already undergoing a course of study in the Deemed to be University.

Instructions for remittance of fee and other dues through RTGS / NEFT mode

All students/parents are informed to follow the following instructions for making payment of tuition fee/examination fee/other fee and dues to be paid to the Deemed University strictly.

Payments should be made through RTGS/NEFT only. No other mode of payment shall be accepted unless provided otherwise specifically. After making payment through RTGS/NEFT, the transaction number and amount transferred should be informed by the student/parent to the Accounts Department for confirmation of payment of fee and get the Receipt from them.

IV. GENERAL RULES

Students charged with an offence punishable under law:

1. If any student or internee is charged with an offence, punishable under any laws of the India he/she will be placed under suspension, pending enquiry into the misconduct of the student. During the period of suspension, he/she will not be permitted to attend classes or clinical or appear for any examinations (written, practical, clinical and oral) of the Deemed to be University. He/she shall not enter the campus of the Deemed to be University and if a hosteller, should vacate the hostel. It shall be the duty of such student to submit a copy of all the records connected with such alleged offence, to the Authorities of the Deemed to be University immediately, such as notice/charge sheet, or legal documents served on him/her by the police or any other competent authority, or filed/produced by or on behalf of the student to any authority/court.
2. If the student or internee is subsequently convicted for the offence by a court of law, it shall be competent for the Vice-Chancellor, having regard to the nature of offence and the sentence awarded, to suspend the student for a period of time, evict him/her from the hostel or to expel him/her from the institution, altogether. For this purpose, the Vice-Chancellor may constitute a Committee to render proper recommendations.

Change of Date of Birth:

3. Once admitted to a course of study in the Deemed to be University, date of birth as furnished in the HSC/School record of student and submitted to the Deemed to be University at the time of admission, shall be taken as final proof and no subsequent request for change of date of birth will be entertained by the Deemed to be University, at any time under any circumstance, either during the course of study or after the completion of such study. Every student shall give an undertaking to this effect duly countersigned by his/her parent or guardian, at the time of admission. (Vide order dated 22.02.2019 by the Hon'ble High Court of Judicature at Madras in W.P.No.988 of 2019).

Change of Name:

4. Once admitted to a course of study in the Deemed to be University, name as furnished in the HSC/School record of the student and submitted to the Deemed to be University at the time of admission, shall be taken as final proof and no subsequent request for change of name will be entertained by the Deemed to be University. During the course of study, if any student suppose to change his name in the official record, he/she has to submit the following to the Student Services Section:
 1. Requisition letter for change of name
 2. Original Government Gazette Notification for change of name
 3. Demand Draft for Rs.3500/- in favour of "Sri Ramachandra Institute of Higher Education and Research, Chennai" payable at Chennai.

In the above case, with the approval of the University authorities, name will be changed in the official records from the date of publication of Government Gazette Notification only. Change of Name will not be modified on the Mark Statements and other documents issued prior to the date of publication of Government Gazette Notification. No request for change of name will be entertained, under any circumstance, from the candidates after completion of study in this institution.

V. LONG ABSENCE WITHOUT PERMISSION

- i) Where any student is absent for more than one week (including holidays) continuously and without prior permission obtained from the authority concerned, he/she will not be permitted to attend classes unless an application, duly signed by the parent, seeking leave is produced. If the absence exceeds two weeks (including holidays), unless the parent/guardian meets and explains, to the satisfaction of the authority concerned, of the necessity for such long absence without seeking prior permission, the student will not be permitted to attend classes. In case, the period of absence exceeds two weeks, the student will be placed under suspension and liable to such disciplinary action/punishment, as may be deemed fit, by the authority concerned.

- ii) If any student remains absent for more than a month (including holidays) continuously, his/her name will be struck off/removed from the Attendance Register immediately and he/she will not be permitted to any of the privileges of the course to which he/she has been admitted to, including to attend classes/practicals, to enter library and or any other facility provided in the college/Deemed to be University campus or to obtain any usual certificate such as to avail concession, etc., in addition to the disciplinary action being taken as above. On permission being granted to resume studies, such students will have to pay readmission fee as specified.
- iii) Where a student is absent without any prior permission for more than three months, he/she will be treated as “discontinued from course of study” concerned and will be covered under the condition specified below.

VI. RULES FOR DISCONTINUANCE FROM COURSE OF STUDY

- i) Where any student applies for discontinuance, or without any application discontinues on his/her own, from the course to which he/she has been admitted, for any reason, at any stage, either after the cutoff date prescribed by the statutory authorities for admission to the first year of the course concerned or where the seat is rendered vacant without having any chance of being filled up with any other candidate, such students will have to remit the tuition fee and other applicable fees for the 'entire/remaining course period'. Unless and until payment of all the prescribed fees for the entire/remaining course period is made to the Deemed to be University account, such student shall not be entitled to any certificate including transfer certificate, mark sheets etc. to be issued by the Deemed to be University and to get back of his/her original certificates deposited with the Deemed to be University at the time of admission.
- ii) All students and parent will be required to furnish a declaration agreeing to the above said conditions at the time of admission.

VII. RULES RELATING TO UNIVERSITY EXAMINATIONS

PREAMBLE

The Department of Human Resource Development, Government of India, on the recommendation of the University Grants Commission (UGC) has accorded the status of a Deemed to be University to Sri Ramachandra Institute of Higher Education And Research for the Faculties of Medicine, Dentistry, Physiotherapy, Pharmacy, Nursing, Biomedical Sciences, Allied Health Sciences, Management, Public Health, Sports Science, Clinical Research, Engineering & Technology and other Faculties as and when approved at the under graduate and post graduate levels and to the research programs in various disciplines leading to the award of Ph.D. degree. The Degrees and Diplomas of Sri Ramachandra Institute of Higher Education And Research (Deemed to be University) shall have the same status as of those given by any Statutory University duly recognized by the University Grants Commission, New Delhi.

The Deemed University conducts semester/yearly pattern of university examinations as per the guidelines of the statutory regulatory bodies such as MCI, DCI, AICTE, PCI, INC and RCI. Examinations for programs which do not come under the purview of any statutory regulatory bodies, are conducted in accordance with the norms of the University Grants Commission (UGC) and the guidelines contained in the syllabi and regulations recommended by the respective Boards of Studies and approved by the Academic Council of the University.

In general, the university examination includes theory papers, (objective type of questions, short answers/essays and long essays), clinical/practical and oral as per the specified regulations.

In a year, there shall be one regular (main) examination and one supplementary examination for any subject, both for semester and yearly pattern of examinations. The examination calendar indicating the tentative date of Examination fee notification and commencement of Examination shall be published in the Academic calendar every year.

Hall Ticket is released through university portal after verification of eligibility criteria prescribed by the respective regulations and clearance from the accounts department.

The following Examination related information shall be communicated to the student through the student portal,

- i) Theory and Practical Examination schedule
- ii) Examination fee notification
- iii) Hall Ticket
- iv) Mark Statement

The University examination shall be conducted as per schedule announced earlier even in the event of holiday being declared for the Institution due to any unforeseen circumstances.

In the event of extraordinary natural calamities or untoward incidents revised schedule shall be announced after due approval by the Dean of Faculties/Dean Students and intimated to the students and concerned Deans /Principals /Program Coordinators through institution website/portal /university notice board.

ASSISTANCE FOR DIFFERENTLY ABLED PERSONS DURING THEORY EXAMINATION

1. A scribe shall be allowed in the case of a differently abled candidate with an impairment/disability/handicap which prevents him/her from writing.
2. A candidate seeking assistance of a scribe shall apply to the Dean of Students seven working days in advance in cases of pre existing disability or at least 24-48 hours in advance in cases of recent disability with a medical certificate issued by the concerned specialist of Sri Ramachandra Medical College not below the rank of Associate Professor/Doctors specialized in the respective field of the disability, stating clearly the extent of the disability and his/her recommendation, through the Principal/Chairperson of the faculty in which the candidate is to

take the examination. The Dean of Faculties will arrange the scribe and inform the Controller of Examinations and Chief Superintendent.

3. In case of emergency, the Chief Superintendent / Deputy Registrar Invigilation shall arrange a scribe for the student and inform the Dean of Faculties.
4. The scribe appointed shall not be equal to or of a higher grade in education than the candidate; shall not be related to the candidate; and shall not be from the same program / concerned faculty. More than one scribe can be provided if required for writing for different papers. The scribe should not indulge in any malpractice as mentioned in the Examination rules.
5. The candidate may be permitted to meet the scribe half an hour earlier to the commencement of the examination, if he/she desires.
6. The Chief Superintendent shall arrange a suitable place for the above candidate(s) and appoint a Hall Superintendent if necessary.
7. The rules and procedures laid down as regards malpractice are also applicable to the candidates who are allowed to have scribe(s).
8. In case a scribe is not required, but only extra time is sought, the candidate shall apply to the Dean of students /DOF at least 24-48 hours in advance. Additional time may be granted in deserving cases by the Dean of students / DOF as directed by the UGC based on O.M.No34-2/2015-DD.III (Pt)dated 1st January 2019 of Ministry of Social Justice and Empowerment regarding "Guidelines for conducting written examinations for persons with Bench mark disabilities.' Compensatory time of not less than 20 minutes per hour of examination shall be provided.

RULE REGARDING INFECTIOUS DISEASE

1. Any infectious disease or Communicable disease (eg chicken pox which is notifiable disease as per Tamil Nadu Public Health Act 1939.): As per Tamil Nadu Public Health Act, 1939 Chapter VII Part II Section 71 (1) c, no person suffering from Notified Infectious Disease should attend any school or college.
2. In view of the above act any student suffering from any infectious disease or Communicable disease e.g. chicken pox will not be permitted to attend any university examination.

EXAMINATION RELATED INSTRUCTIONS TO THE CANDIDATES

1. The candidates will be allowed to enter the examination hall only with the hall ticket and the University identity card.
2. Hall Ticket to be preserved until Theory and Practical/ Clinical Examinations get over.
1. Any discrepancy noticed in the hall ticket with regard to the name, subject(s) and date(s) for which the candidate is registered should be brought immediately to the notice of the Controller of Examinations through the respective Dean/Principal/Coordinator/Student service section.

2. The candidate should ascertain the scheme of theory, practical/clinical and oral examinations. The candidate is advised to be seated for the specified examination at least 10 minutes before the commencement of the examination. Examination hall doors will be closed 10 minutes prior to the examination start time. After that candidates will be permitted after the start of the examination only.
3. No candidate will be allowed to enter the examination hall after 30 minutes of commencement of the examination. Similarly, no candidate shall be allowed to leave the examination hall before 30 minutes lapse, after the commencement of the examination.
4. Over coats, shoe and socks are not permitted inside the theory examination hall and the candidate should adhere the University prescribed dress code **compulsorily**.
5. The candidate shall maintain perfect silence in the examination hall.
6. The candidate is required to bring his/her own pens, pencils, scales, erasers, etc., in a **transparent pouch**. Only blue or black ball point pen/ink pens should be used while answering.
7. The candidate should read carefully the instructions given in page numbers 1 and 2 of the answer booklet, MCQ OMR sheet, MCQ question booklet and question paper as the case may be, before recording the required particulars / before commencing to answer.
8. The candidates should check themselves, before answering, whether they have received the correct question paper. If not, immediately he/she should stand up and get the correct question paper pertaining to the subject and the course/regulation for which he/she is appearing on that day.
9. Before starting to answer the paper, the candidate should write his/her registration number, year/semester, Program, Course and date of the examination only at the appropriate space provided in the first page of the answer book and shade the relevant ovals wherever applicable. The registration number and name should not be written anywhere else in the answer book or in any additional book(s) attached.
10. Except the signatures of the candidate and hall superintendent, no other signature/writing is permitted in the hall ticket. The number of additional sheets used and the questions answered should be written and shaded in the front page of the answer book compulsorily.
11. If a candidate mentions his/her name, registration number on any part of the answer book/sheets other than the one provided for or indicates any special mark or writes anything which may disclose or give any clue in any way revealing the identity of the candidate, he/she will render himself/herself liable for disciplinary action besides the answer sheets being summarily rejected.

12. The candidate shall not carry any written/printed matter, any paper material, electronic devices, cell phone, pen drive, ipad, programmable calculator, any unauthorized data sheet/table into the examination hall or any other material which is considered objectionable and if any such items are found in his/her possession at any time after entry into the examination hall, the candidate shall be liable for disciplinary action. There is no facility for safe keeping of these devices outside. The university will not take any responsibility if a candidate keeps any valuables inside/outside the examination hall.
13. No candidate shall gesture unnecessarily or pass any part/whole of answer papers/question papers to any other candidate. No candidate shall allow another candidate to copy from his/her answer paper or copy from the answer paper of another candidate. If found committing such malpractice, the involved candidates shall be liable for disciplinary action.
14. The candidate found guilty of using unfair means of any nature shall be liable for disciplinary action as per the provisions of the University Examination Manual.
15. The candidate shall hand over the MCQ question book and OMR sheet on completion of the specified time. Similarly the candidate shall hand over the answer book(s) to the hall superintendent/chief superintendent before leaving the examination hall.

CONDUCT OF PRACTICAL / CLINICAL EXAMINATIONS

1. Practicals/clinicals/orals will be conducted in the laboratories/hospital wards/departments with the concurrence of the Controller of Examinations.
2. The students shall not be allowed to use unauthorized papers/answer sheets for the University practical / clinical /oral examinations.
3. Indulging in any kind of unfair means by the candidate during the examinations shall be considered as a malpractice.
4. In case of alleged use of unfair means the delinquent candidate shall be subjected to disciplinary action as recommended by the Examination Disciplinary Committee of the University.

ENFORCEMENT OF DISCIPLINE IN UNIVERSITY EXAMINATIONS

1. Strict discipline shall be enforced in the conduct of University Examinations. During the theory, clinical/practical/viva University examinations, all the candidates shall be under the disciplinary control of the Chief Superintendent (CS)/Convener respectively.
2. Indulging in any kind of unfair means by the candidate/faculty during the examinations shall be considered as a malpractice. (**Refer Appendix I**)
3. The University reserves its right to declare any other act /misdeed as malpractice by adding the same, from time to time, to the list of malpractices in the University Examinations.

4. When a candidate is found indulging in malpractice in University examinations, the unfair means material and the following documents duly filled, are collected immediately by the Chief Superintendent/Convener:
 - i) Statement of the candidate who is alleged to have used unfair means at the University Examination.
 - ii) Form of undertaking by the candidate requesting for permission to continue to appear in the present and subsequent papers.
 - iii) Report of the Additional Chief Superintendent/Hall Superintendent.
CS shall report the matter to the COE and handover all the relevant material evidences and documents mentioned above on the same day.
5. A candidate shall not be forced to give a statement if the candidate refuses to do so, the fact of his /her having refused to make a statement shall be recorded and signed by the Chief Superintendent and the Hall Superintendent/Convener concerned, on duty at the time of occurrence or detection of the incident or immediately thereafter. If possible, eyewitness can be obtained from any other staff available in the examination hall.
6. The Chief Superintendent shall record his remarks and sign at the end of the written page of the answer book. The candidate will continue to write in the same answer book. The Chief Superintendent shall send the answer book to the Controller of Examinations in a separate sealed envelope along with his/her report.
7. The Controller of Examinations shall forward the report along with relevant materials furnished by the Chief Superintendent/Convener to the Examination Discipline Committee (EDC) for further action.
8. EDC chairman shall serve Show Cause Notice to the candidate and convene the EDC meeting as stipulated in the Examination Rules. After serving a show cause notice, if the implicated candidate fails to appear before the EDC on the day, time and place fixed for the meeting, the candidate may be given one more opportunity to appear before the Committee in his/her defence. Even after providing two chances, if the candidate concerned fails to appear before the committee, the Committee shall take decision in his/her absentia, on the basis of the available evidence/documents which shall be binding on the candidate concerned.
9. The Dean of Faculties shall, after examining the findings of the Examination Discipline Committee, and the relevant records, pass orders regarding the penalty to be imposed or otherwise as per the relevant provisions of these rules.
10. If any candidate is not satisfied with the order passed by the Dean of Faculties he/ she may file an appeal in writing to the Vice-Chancellor through the Dean of Students within 7 days from the date of receipt of the order. The Vice-Chancellor will consider the appeal and pass appropriate order thereon including remitting the matter to the Examination Discipline Committee for re-examination/reconsideration of any particular issue.

11. Where the appeal is remitted to the Examination Discipline Committee by the Vice Chancellor, the Examination Discipline committee shall re-examine the connected materials and submit its report to the Vice-Chancellor. The Vice-Chancellor will, after careful consideration of all facts/ evidences, pass order on merit of the case. The decision of the Vice Chancellor shall be final and binding to all concerned. The orders of Vice Chancellor thereon will be communicated to the COE and to the aggrieved appellant candidate/ examinee concerned through the Dean of Faculties.
12. Any candidate punished for malpractice/ using unfair means in the examination will not be eligible for University scholarships, awards, prizes, medals etc.
13. The confiscated devices used for malpractice shall be returned to the candidate on request by the candidate through the Dean of Faculties, after the candidate clears the course/ courses which were cancelled as a penalty for possessing the device or copying from the device. However the devices shall not be returned in the event of litigation in the Court of law.

EXAMINATION GRIEVANCE REDRESSAL

1. The following University Examination related grievances/complaints may be addressed to the Dean of Students for further action.
 - i) Request for Photostat copy of answer scripts
 - ii) Request for revaluation
 - iii) Request for correction in certificates

RULES TO OBTAIN PHOTOSTAT COPY OF THE EVALUATED THEORY ANSWER SCRIPT(S)

1. The candidates of all programs of study, except Ph.D, are eligible to apply for issue of photostat copy of evaluated theory answer script(s) of the University examinations held during the current session and for which results have been declared and statement of marks/Grade card issued.
2. Photostat copy of OMR answer sheet of MCQ section will not be issued, as the OMR answer sheet is evaluated by OMR image scanner.
3. Application should be submitted in the prescribed format (**Appendix II**) along with the prescribed fee and a downloaded copy of the statement of marks through proper channel, i.e., the Dean /Principal/Course Chair-Person, and Professor and Head of the Department concerned. It should reach the University Office (student services section) within 3 (three) working days from the date of uploading the statement of marks/Grade card. (Application should not be sent directly to the Office of the Controller of Examinations).
4. On receipt of the document, the Controller of Examinations will arrange to provide the photostat copy of the evaluated theory answer script(s) to the candidates, through proper channel, within 2 (two) working days.

RULES REGARDING REVALUATION OF THEORY ANSWER PAPERS

5. Only the candidates who have appeared for the recently held examination(s) in undergraduate and postgraduate courses (except Ph.D.) are eligible to apply for revaluation.
6. The revaluation shall be done only for theory papers and not for practical/clinical/oral examination.
7. Revaluation of university theory paper(s) is **NOT PERMISSIBLE**, if there are two papers for a course and the candidate has appeared for one paper only (e.g. Anatomy I & Anatomy II).
8. The application for revaluation should be submitted in the prescribed format (**Appendix III**) along with prescribed fee and the downloaded copy of the statement of marks /Grade card issued by the University, through the Dean/ Principal of the college/Chair-person and Professor and Head of the department concerned, It should reach the University Office (student affairs section)(within 7 working days from the date of issue of statement of marks/Grade card or date specified in circular issued along with the results. If any application is sent directly to the office of Controller of Examinations it will not be considered.
9. On receipt of all the required documents, the Controller of Examinations shall arrange for revaluation.
10. The fee once paid, for revaluation of theory answer script(s) will not be refunded on any account.

REQUEST FOR CORRECTION / DUPLICATE CERTIFICATES

- (i) Request regarding any correction of printing/factual errors in the statement of marks regarding the name, sex or date of birth (with proof) should be made by the candidate within 10 working days from the receipt of the statement of marks for the first semester/first year examination. If the error in a mark statement / certificates issued to a candidate has occurred due to oversight by the office and if it is found out / pointed out subsequently, fresh mark statement / certificates shall be issued without charging fee. Any other changes in the certificates requested by the candidate shall be made on payment of prescribed fee and provision of relevant supportive documents.
- (ii) The defective Mark statement / certificates shall be surrendered to the office of COE through student services section.
- (iii) Any request for correction in name shall be made with relevant evidence (e g. gazette copy mentioning the change). The changes shall be made only in the certificates issued after the date of the gazette.
- (iv) To obtain any corrected certificates / copies connected with the University examinations, a written requisition should be submitted, giving at least seven working days for the office to process the same.

IN CASE OF LOSS OF DEGREE CERTIFICATE THE CANDIDATE SHALL SUBMIT THE FOLLOWING DOCUMENTS FOR ISSUE OF DUPLICATE DEGREE CERTIFICATE.

- a. Request to Dean of Faculties for issue of duplicate Degree certificate
- b. Payment of prescribed fees
- c. An affidavit detailing circumstance in which the loss occurred

- d. Establish the claim- evidence of damage/ loss (copy of First information report from the police station and attestation by notary public)

On submission of the above, the Office of COE shall issue the duplicate certificate indicating that it is 'DUPLICATE'

The reissue shall be recorded in a separate register in the Office of the COE

The following University Examination related grievances/complaints may be addressed to the respective Dean/Principal/Chairperson for further action.

- a. Question paper related grievance
- b. Grievance related to conduct of examination

Controller of Examinations

VIII. RULES FOR HOSTEL STUDENTS

HOSTEL ADMINISTRATION

The hostel committee is responsible for the the hostel administration of the Deemed to be University and the policies framed are executed by the following persons.

- a. Chief Warden
- b. Resident wardens
- c. Deputy resident wardens
- d. Assistant resident wardens

The above are assisted by the support staff of the Deemed to be University in the discharge of their responsibilities. Assistant wardens are available round the clock in the hostel premises. All hostels are to be managed by resident wardens who reside within the Deemed to be University campus. Students may approach any of the above named officials for help, guidance and any other assistance at any time of the day.

(a) Sri Ramachandra Institute of Higher Education and Research (Deemed to be University) strives hard to provide the best possible hostel environment for studies and all round personality development. Students are requested to co-operate with the hostel administration and follow all rules and regulations to facilitate their comfortable, enjoyable and safe stay in the hostel. A hostel inmate will continue to enjoy the privileges of being an inmate so long as he/she follows the rules and regulations of the hostel and there is no rent due from him/her.

(b) The Deemed to be University reserves the right to change/amend the rules from time to time. Students will be informed of the changes through general circulars displayed on the hostel notice boards.

All inmates of the Hostel shall observe the following rules for the smooth and efficient running of the hostel and for their comfortable stay:-

1. Accommodation:

(a) Hostel accommodation can be availed only by the bonafide students of the institute. The students are entitled to hostel accommodation as long as they are full time registered students.

(b) At the time of admission to hostel, each student is required to submit a duly completed personal data form. The telephone number of the parent with the STD code and email id must be provided. The students will be permitted to have only one local guardian whose details will be submitted. Any change of address/telephone number of parent or local guardian must be immediately intimated to the hostel office. It will be the responsibility of students to keep their personal data form updated at all times.

(c) Allotment of rooms will be made as per availability of rooms. No preferential allotment of rooms will be made.

(d) As far as possible, undergraduate students and post graduate students/interns will be housed in separate blocks of the hostel. To the extent possible, students from the same course will be allotted rooms in the same hostel blocks.

(e) Shifting of rooms: Students have to shift hostel rooms upon course completion for administrative reasons. No representations will be entertained in this regard.

(f) Rooms once allotted to students for an academic year will not be ordinarily changed except under special, circumstances by the resident warden or chief warden.

(g) Any student who is removed from the rolls of the institute/rusticated from Deemed to be University on disciplinary grounds will automatically cease to be a resident of the hostel. Such students shall forthwith vacate the hostel accommodation immediately.

Note: Hostel fees will not be refunded for students who are removed from the hostels on disciplinary grounds.

(h) If a student staying in the hostel is suspended from the Deemed to be University as part of any disciplinary action, he/she will be automatically removed from the hostel.

(i) Students who fail in three consecutive Deemed to be University examinations will not be allowed to retain hostel accommodation. Accommodation may be provided once they pass subject to availability

(j) Students are expected to stay in the rooms allotted to them. In case of an occasional requirement of staying in a friend's room, the respective wardens should be duly intimated by the student.

2. Vacating the hostel accommodation:

(a) Students must vacate the hostels within one week from the date of completion of the course.

(b) If any student wishes to vacate before completion of the course, an application form duly signed the parent has to be submitted. The parent need to be physically present at the time of leaving.

(c) The students who completed the course shall submit the hostel vacating form. in triplicate.

(d) The furniture and fixtures as per inventory list must be handed over to the designated staff member of the hostel. Any deficiencies/breakages and damage to walls, fixtures etc will be made good by the student by paying such amount, as may be decided by the maintenance department.

3. Hostel Fee:

All students will pay all stipulated hostel fees/room charges at the beginning of the academic year. A copy of the fees receipt should be given to the hostel office for filing in the students' record file. If they fail to remit the hostel fees, they will not be permitted to stay in the hostel.

4. Entry/Exit from Hostels:

Biometric attendance recorders are placed in all hostels. All entry/exit places in hostels are under surveillance of closed circuit cameras. Hostel entry/exit doors are controlled by biometric readers. Students are required to punch in/out at the times of their entry/exit from hostels.

5. Out pass from Hostels:

All students planning to go outside the main gate of the Deemed to be University campus, have to enter their particulars in the out pass register kept in the hostel office. They should return back before 9.00 p.m. Entry should be made on arrival.

6. Leave /Stay out from Hostel:

The parent of the student has to mail/send SMS OR Whatsapp message to the assistant resident warden of the block from his/her email id/mobile number given to the hostel office at the time of admission. The student has to write in the STAY OUT REGISTER while leaving and coming back. They have to mention about the expected day of arrival also. If there is extension of their stay it should be informed through parents. No excuse whatsoever will be accepted for not entering the particulars in the register. Ignorance of rules, leaving in a hurry etc., will not be accepted as valid excuse.

7. Gate Closing Time:

Gate closing time for the hostels is 9 p.m. Students will not be allowed to go outside after 9 p.m. Students shall ensure that they are inside the respective hostels by 9 pm. Defaulters will invite disciplinary action.

8. Attendance in Hostels:

The students should give their attendance between 8pm and 9pm in the hostel office. They are not permitted to go out after giving attendance. If they failed to do so they are liable to be marked as absent with attendant disciplinary action. No excuses whatsoever will be entertained in this regard.

9. Absence from Hostel:

No unauthorized absence from hostel is permitted on any day including weekends and holidays. The wardens are authorized to telephonically contact the local guardians/parents to verify the safety of the students. Students who ignore this directive will be warned and an intimation will be sent to parents. Students who repeatedly ignore this directive will not be permitted to stay in the hostel premises. The decision of the Deemed to be University administration will be final and binding on all inmates of hostels.

10. Hostel Property/Fixtures/Fittings:

(a) Inmates should not remove any furniture from the rooms and no extra furniture can be brought in from outside.

(b) Tampering with fixtures and electrical connections in the rooms allotted is strictly prohibited.

(c) No poster or picture should be stuck inside and outside the room either on the walls or on the windows or anywhere around the premises of the hostel or College.

(d) Students should take care of hostel property and any damage to hostel buildings, property, furniture, fixtures or walls. The damage caused by them will be fined for.

(e) Air conditioners, lights and fans should be switched off by hostel inmates when not in the room.

(f) The inmates are advised to make sure that they close the taps after use in order to avoid wastage of water

(g) All rooms, corridors, toilets etc. must be kept clean and any student who violates the rule will not be allowed to stay in the hostel.

(h) Wastes are to be disposed off in the dustbins provided only. The student is liable to be fined if this rule is violated.

11. Electricity Supply:

All hostels are provided with reliable electricity connections. All hostel complexes are also provided with back up generator power in the event of main electricity grid failure. Power supply for air conditioners and geysers will not be provided during college working hours.

12. Maintenance of rooms, toilets & bath rooms:

- (a)** The students should keep their rooms neat and tidy all the times. Wet clothes should not be hanged inside.
- (b)** Students should maintain hygienic habits of maintaining the bath rooms and toilets so that it is presentable to the next user.
- (c)** The students should be available in their rooms for the house keeping staff to clean the rooms as per the schedule.
- (d)** All complaints regarding room cleaning, any maintenance, toilets, water supply, AC and power supply should be made to the assistant resident warden in writing through the register of complaints kept in the hostel office.
- (e)** The students should be available in their rooms between 4pm-7pm for the maintenance complaints to be rectified. Coordination with warden is essential

13. Electric appliances:

- (a)** No cooking appliances, individual hotplates and microwaves are permitted in the hostel rooms. Cooking is strictly prohibited within the hostel.
- (b)** Iron boxes, personal televisions, refrigerators, air conditioners, electrical heating systems, immersion rod, home theatre systems etc are not permitted.
- (c)** Such electric and electronic items, if found in hostel rooms, will be confiscated and returned only if inmate takes it out of the hostel for disposal. A monetary fine will also be imposed.

14.Visitors/Local guardians/Parents:

- (a)** No guest or day scholar will be permitted to the hostel room.
- (b)** Visitors may be allowed in the visiting hall of respective hostel between 4.00p.m and 7.00 p.m. with prior permission of warden only.
- (c)** Mother of the girl student is permitted to her daughter's room between 4pm and 6 pm for 2 hours once in 2 months with the permission of the warden and after making due entry in the register .

15. Dining:

- (a)** Canteen and mess facilities for dining are available in the hostel complexes. Canteens are operated by authorized private vendors. Students can enroll in the messes of their choice on direct payment to the mess operators
- (b)** Dining services will be provided only in the mess and there will be no room service.
- (c)** Cafeterias are available during night within the hostels between 9 pm and 1 am. Snacks, coffee/tea etc., will be available in these night cafeterias.

16.Sickness/Medical Aid/Treatment:

- (a)** Whenever any hosteller falls sick the same should be reported by him/her to the warden who will provide all necessary assistance to get appropriate treatment or medicines.
- (b)** Students of the Deemed to be University are provided with health insurance cover. While insurance cover provides basic health care, some charges may not be covered by insurance. Payment of such charges will be the responsibility of the student/parents/local guardians.

(c) Any student falling sick while on leave will immediately inform Deemed to be University administration by phone. Upon return from leave, students will furnish proof of hospitalization in the form of medical certificate from Registered Medical Doctors only. Medical certificates will in all cases be signed by Medical Practitioners having degree of MBBS and above only. Medical registration number of the treating doctor and his/her contact phone/mobile number should invariably be written in the medical certificate.

17. Smoking, Alcohol abuse, Drugs & Narcotic substances:

(a) Smoking or consumption of alcoholic beverages, or use of banned materials inside the College, Hostel and Campus is strictly prohibited. Any violation on the part of the students will be viewed very seriously and they will be suspended from the college immediately pending enquiry and in the case of hostellers, they will be expelled from the hostels immediately. Such students will not be permitted to attend classes/sit for examinations and enter the campus without the written permission of the Deemed to be University.

(b) Possession or consumption of any harmful and intoxicating drugs/substance by students in any form is prohibited. All performance-enhancing drugs are also prohibited. It is the duty of students to the Deemed to be University and society to inform the authorities about other student (s) indulging in such activity. Students found in the company of other students indulging in this activity or allowing fellow students to consume prohibited substances in their rooms will be deemed to have committed an equally serious offence and thus be liable to the same punishment. All offences under this category will invoke very severe disciplinary punishments which includes expulsion from Deemed to be University/hostel and/or heavy fines

18. Vehicle parking:

(a) There is no requirement for students staying in hostels to get personal vehicles. In the interest of safety of students, the Deemed to be University authorities strongly advise parents not to provide vehicles to their wards. Parents and students ignoring this directive will do so at their own risk. The Deemed to be University administration takes no responsibility of safety and security of personal vehicles in the hostel premises.

(b) Students' vehicles should be parked in the designated vehicle parking area only. Haphazard parking will invite fine & other remedial action like towing.

(c) All students keeping vehicles in the hostels will provide details of vehicle (Two-wheeler or car) to hostel staff. Students will be issued vehicle stickers which will be affixed to vehicles. Only one vehicle sticker per student will be issued. Vehicles without vehicle stickers will be denied entry to hostel areas by security staff.

19. Personal belongings:

(a) All students are advised to lock up their personal belongings. Valuables and large amounts of money should not be kept in the hostel. It is the sole responsibility of the inmates to keep under lock personal belongings in the hostel during temporary absence or leave. The hostel authorities are not responsible for any loss of belongings, if any.

(b) Students are advised to use a good quality lock for their rooms. Students are advised not to give their room keys/duplicate room keys to their friends. Locks with combination numbers should not be used.

20. General:

(a) Mess /hostel workers/staff should not be used by students for personal errands

(b) All issues/complaints should be routed through hostel office only.

(c) Inmates shall keep their area noise/pollution free.

(d) Audio set, if used should be played in low volume without disturbing the neighbouring students. If the rule is violated, the sets will be confiscated and will be returned to the student only after the completion of the course

(e) Male hostellers should not wear shorts, bermudas and lungis outside the hostel rooms; Female students when coming out of the rooms should wear sarees/churidhar/salwar/full ankle length pants only.

(f) Students are not allowed to keep animal pets in the hostel. Neither they are allowed to feed the stray dogs outside.

(g) Violation of these rules and indulging in unlawful/illegal activities leads to disciplinary action which may include expulsion/ suspension /monetary fines. The decision of the Deemed to be University authorities will be final and binding on all students and their parents.

General damage to the hostel property will be the collective responsibility of all the residents and they will be required to make good such damage, if the students who caused the damage are not identified. Residents should not indulge in practices/activities which may endanger their own personal safety as well as those of others.

(h) Hostel wardens are authorized to check rooms of any inmate. They are also authorized to check the bags/baggage/belongings of students entering or leaving the hostel

(i) All students will be governed by the rules stated above and by those that will be framed from time to time during the academic year.

Important note

Every student who joins a course of study and who is already undergoing a course of study, should submit the following declarations (and any other declaration as may be prescribed from time to time, in accordance with the above rules), duly signed at the time of admission and also as and when required during the course of his/her study in the Deemed to be University:

Declaration

I have read and understood the 1) Deemed to be University Rules for Students 2) Discharge of Students from Courses 3) Payment of Tuition and Other Fees 4) Long Absence without Permission 5) Rules for Discontinuance from Course of Study 6) Students Charged with an offence punishable under law 7) Change of Date of Birth 8) Rules relating to Deemed to be University Examinations 9) Rules for Hostel students and I hereby undertake to abide these Rules in full and strictly.

- Suspension from attending classes and academic privileges.
- Withholding/withdrawing scholarship/ fellowship and other benefits
- Debarring from appearing in any test/ examination or other evaluation Process.
- Withholding results
- Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc
- Suspension/ expulsion from the hostel
- Cancellation of admission.
- Rustication from the institution for period ranging from 1 to 4 semesters
- Expulsion from the institution and consequent debarring from admission to any other institution for a specific period.
- Fine of Rs. 25,000/- and Rs. 1 lakh.
- Collective punishment: When the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment.

ANNEXURE I
DECLARATION BY STUDENT AND PARENT/GUARDIAN

To
The Dean of Students
Sri Ramachandra Institute of Higher Education and Research
Porur, Chennai – 600 116.

Sir,

I,.....Son/Daughter
of Mr..... residing
at.....
(street).....(Town).....
(PIN).....(District).....(State)..... having
been admitted to the 1-year of
.....Degree Program in Sri Ramachandra Institute of Higher
Education and Research (Deemed University), Porur, Chennai – 600 116 during the academic
year..... hereby declare as follows:-

I have read and understood the following rules and I hereby undertake to abide by them in full:-

- “1. If any student is charged with an offence, punishable under any laws of the India he/she will be placed under suspension, pending enquiry into the misconduct of the student. During the period of suspension, he/she will not be permitted to attend classes or clinical or appear for any examinations (written, practical clinical and oral) of the Deemed University. He/she shall not enter the campus of the Deemed University and if a hosteller, should vacate the hostel. It shall be the duty of such student to submit a copy of all the records connected with such alleged offence, to the Authorities of the Deemed University immediately, such as notice/charge sheet, or legal documents served on him/her by the police or any other competent authority, or filed/produced by or on behalf of the student to any authority/court.

1.1 If the student or internee is subsequently convicted for the offence by a court of law, it shall be competent for the Vice-Chancellor, having regard to the nature of offence and the sentence awarded, to suspend the student for a period of time, evict him/her from the hostel and or to expel him/her from the institution.
2. Once admitted to a program of study in the Deemed University, date of birth as furnished in the HSC/School record of student and submitted to the Deemed University at the time of admission, shall be taken as final proof and no subsequent request for change of date of birth will be entertained by the Deemed University, at any time under any circumstance, either during the program of study or after the completion of such study.
3. Every student shall observe absolute decorum and decency of behaviour at all times including during the conduct of cultural, sports and athletic meets. Any violation will be viewed seriously, calling for such disciplinary action as may be deemed necessary by the authorities.
4. Smoking or consumption of alcoholic beverages or use of banned materials inside the College, Hostel and Campus is strictly prohibited. Any violation on the part of the students will be viewed very seriously and they will be suspended from the college immediately pending enquiry and in the case of hostellers, they will be expelled from the hostel immediately. Such students will not be permitted to attend classes/sit for examinations and or enter the campus without the written permission of the Deemed University authorities.

5. The "Regulations governing discharge of students from a program of study" as approved by the Academic Council of the Deemed University, shall be applicable to the students. They are advised to peruse them in the Deemed University the Students Manual. No exemption from the Regulations will be granted to any student under any circumstance.
6. Students who fail to pay the annual tuition fee on or before the prescribed date or within the grace period with fine, will not be permitted to attend classes or appear for the Deemed University examination. No exemption from this rule will be made under any circumstance.
7. All fees shall be paid to the Deemed University account through RTGS/NEFT only. No other mode of payment shall be accepted unless provided otherwise specifically. No Cheque will be accepted.
8. The fee for Deemed University examinations (written, practical, clinical oral) will not be refunded, if for any reason the student is not able to attend the same or adjusted towards a subsequent appearance."

I have signed this declaration having fully understood its implications on thisst/th day of20 .

I, Mr./ Mrs./ Ms. _____ (full name of parent/guardian) father/mother/guardian of, _____ (full name of student with admission/registration/ enrolment number), having been admitted to Sri Ramachandra Institute of Higher Education and Research (Deemed University), Porur, Chennai – 116, have perused a copy of the UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009, (hereinafter called the "Regulations") as hosted on the website of the Deemed University carefully and fully understood the provisions contained in the said Regulations.

2) I have, in particular, perused clause 3 of the Regulations and am aware as to what constitutes ragging.

3) I have also, in particular, perused clause 7 and clause 9.1 of the Regulations and am fully aware of the penal and administrative action that is liable to be taken against my ward in case he/she is found guilty of or abetting ragging, actively or passively, or being part of a conspiracy to promote ragging.

4) I hereby solemnly aver and undertake that

- a) My ward will not indulge in any behaviour or act that may be constituted as ragging under clause 3 of the Regulations.
- b) My ward will not participate in or abet or propagate through any act of commission or omission that may be constituted as ragging under clause 3 of the Regulations.

5) I hereby affirm that, if found guilty of ragging, my ward is liable for punishment according to clause 9.1 of the Regulations, without prejudice to any other criminal action that may be taken against my ward under any penal law or any law for the time being in force.

6) I hereby declare that my ward has not been expelled or debarred from admission in any institution in the country on account of being found guilty of, abetting or being part of a conspiracy to promote, ragging; and further affirm that, in case the declaration is found to be untrue, the admission of my ward is liable to be cancelled.

7) I also declare that I am well aware of the following provisions in the Tamil Nadu Prohibition of Ragging Act, 1997:-

Section 4:-Whoever commits, participates in, abets or propagates 'ragging' within or without any educational institution, shall be punished with imprisonment for a term which may extend to two years and shall also be liable to a fine which may extend to Rs.10, 000/-(ten thousand rupees)

Section 5:-Any student convicted of an offence under section 4 shall also be dismissed from the educational institution and such student shall not be admitted in any other educational institution.

Signed on this _____ day of _____ (month) _____ (year).

VERIFICATION

Verified that the contents of this affidavit are true to the best of my knowledge and no part of the affidavit is false and nothing has been concealed or misstated therein.

Verified at _____ (Place) on this the _____ day of _____, _____.

Signature of deponent/Parent

Solemnly affirmed and signed in my presence on this the _____ day of _____,
20____ after reading the contents of this affidavit.

Signature of Parent

Name:

Scholarships and other funding support offered to students

A. Founder-Chancellor Merit-cum-Means Scholarship

The "Sri Ramachandra Institute of Higher Education and Research – Founder-Chancellor Merit-cum-Means Scholarship" has been instituted by the parent trust Sri Ramachandra Educational and Health Trust to aid meritorious students from economically disadvantaged backgrounds undergoing courses of study in the constituent units of Sri Ramachandra Institute of Higher Education and Research (Deemed to be University).

The students who have passed University examinations (annual or semesters) up to the previous year/semester in the first attempt are only eligible for the scholarship. It is applicable to the students undergoing the UG paramedical programs from II year onwards under all the paramedical programs. Students desiring to avail of the scholarships shall apply in the prescribed application form, through the Head of the Department/Course Chairman/ Principal, with attested copies of their marks statement of the previous year University examinations and income certificate.

B. Founder-Chancellor Cash Award

Founder-Chancellor Cash Award is given to the students who obtain the highest marks in the first year University examinations of all undergraduate programs of this University. This Cash Award will be issued during the University Day Celebrations every year.

C. Hospital Technician Course

Sri Ramachandra Institute of Higher Education and Research is offering a Certificate Course in "Hospital Ward Technician" for a period of one year to the students who have passed in HSC (+2). Preference will be given to those who have passed HSC with Science subjects or Nursing Vocations stream. No tuition fee is payable and the students will be paid a stipend for undergoing this program.

D. Chancellor Under Graduate Summer Research Fellowships

All UG students of all disciplines of the Deemed University are eligible to apply for the 75 Summer Research Fellowships that are annually allotted to be conducted from April to June for a duration of three months. Each selected UG-Fellow is provided with a grant. The distribution pattern of the UG – Summer Research Fellowships is MBBS: 30; BDS: 20; other UGs in Pharmacy, Physiotherapy, Nursing, Biomedical Sciences & Technology, Allied Health Sciences and Management: 25.

E. Chancellor's Post-Graduate Dissertation/Project Subsidy scheme

Post-graduates under all the Faculties of the Deemed University who are required to carry out a research dissertation/research project in partial fulfilment for the award of their PG degree would be eligible for this

scheme. Each candidate would be provided with a subsidy up to Rs. 25,000 towards their investigational/project expenditures.

F. Founder- Chancellor Fellowships for Ph.D. Candidates

The Founder Chancellor Fellowships are open only to the candidates registered for the Ph. D. program of the Deemed University as full-time candidates. The eligibility of candidates applying for the Ph.D. Program of the Deemed University under the various Faculties of the Deemed University would be as per the "Ph.D. – Regulations of The Deemed University" displayed in the Deemed University website. All candidates applying for this fellowship have to appear for the All India level entrance examination conducted by the Deemed University during January and July, each year after due advertisement in the newspaper(s) and the Deemed University website

The provisional selection of the candidates for award of these Ph.D. fellowships will be based on the merit of the candidates as per the entrance examination marks obtained by them. The final selection of candidates for registering for Ph.D. will be after approval of the Ph.D. research proposal by the Ph.D. admission committee after a presentation-cum-interview.

Each fellowship carries Rs. 12,000/- per month for a duration of three years along with a contingency grant of Rs. 25,000/- per annum.

G. Publication Support Grant:

All Ph.D. scholars, PG and UG students, whose manuscripts are accepted in indexed journals with Impact Factor for publication, are eligible for this grant. The grant to be paid or reimbursed would include only the printing charges as specified by the publishers of the indexed journal which has accepted the manuscript of the said author(s) based on the invoice received. The quantum of the grant would be at actuals.

"Students are encouraged to apply for scholarships announced by government agencies (both central and state governments) as well as private/philanthropic agencies.

Information on several scholarship schemes from the central government, UGC/AICTE, and state governments are available on the National Scholarship Portal <https://scholarships.gov.in/>. Students are encouraged to explore the different schemes, assess their eligibility and apply for the same. They may contact the Student Services Section for any assistance with the application."
